

## Aching Shoulder Is Golf Handicap For Eisenhower

AUGUSTA, Ga. (AP)—President Eisenhower looked forward to a practice round of golf today to tune up for a possible weekend match with Cary Middlecoff, the 1955 Masters Tournament champion.

Middlecoff, who won the Masters here Sunday, had left town by the time the President arrived Tuesday for an eight-day work-and-play vacation.

But White House Press Secretary James C. Hagerty told newsmen there was a possibility Middlecoff might return to Augusta about Saturday to take on the chief executive.

Eisenhower got in 18 holes Tuesday afternoon at the Augusta National Club, site of the Masters, even though he was bothered "quite a bit"—as Hagerty put it—by bursitis in his right shoulder.

For the past six weeks or so the President has been going to Walter Reed Hospital in Washington for treatment of his bursitis. The 15-minute stints at the hospital have helped, but Eisenhower got a setback Monday in tossing out the first baseball at the season opener between Washington and Baltimore.

The pitch, Hagerty said, wrenched his arm painfully.

Besides more golf, Eisenhower planned some work today on the foreign aid message he will send to Congress next week. Hagerty said there had been no decision yet whether the message will go to the Capitol while the President still is in Georgia—through next Wednesday—or after he returns to Washington.

## Approval Near For FEPC Bill

LANSING (AP)—A fair employment practices bill (FEPC) to outlaw racial and religious discrimination in hiring moved toward House passage today.

Sponsors of the bill won a substantial victory Tuesday by smashing every one of 26 amendments which they said would hinder the bill's effectiveness.

Although there was plenty of opposition to the bill, it appeared that Democrats had picked up enough Republican votes to swing it on final passage.

Rep. Louis C. Cranton (R-La.), long-time champion of FEPC, led a coalition which soundly defeated the amendments. Cranton introduced the measure.

The House voted down committee-approved amendments to abandon the idea of a seven-man enforcement commission and to require a referendum on the bill.

Some members argued that the bill would give the commission too broad powers, that it would be allowed to spend large sums of money and that it would circumvent regular processes of law.

Cranton said an amendment to delete the commission provision and leave enforcement to the courts would in effect kill the bill.

With headquarters in Detroit, the commission could call witnesses, hold hearings and investigate complaints of unfair employment practices.

## Ministers Optimistic On Austrian Treaty

MOSCOW (AP)—Austrian chancellor Julius Raab and Soviet Foreign Minister V. M. Molotov resumed today their talks on an Austrian independence treaty. The Austrian Embassy said "the mood is optimistic."

## Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Mostly cloudy through Thursday; occasional rain in east and central portions tonight and in east portion Thursday; little change in temperature.

ESCANABA AND VICINITY: Mostly cloudy tonight and Thursday with occasional rain tonight; no important change in temperature; low tonight around 40°; high Thursday in low 50's. Northerly winds 12 to 18 mph tonight and Thursday.

(High yesterday and low today)

## Diplomats Given Room To Work On Peace In Formosa

WASHINGTON (AP)—A number of foreign diplomats viewed Adlai E. Stevenson's Far Eastern speech today as giving President Eisenhower more room for diplomatic maneuvering toward a peaceful settlement in the Formosa Strait.

State Department officials, taking their cue from Secretary Dulles, were guarded in their comments. But those willing to talk privately agreed the 1952 Democratic presidential nominee's address would give added impetus to diplomatic talks on the problem.

### New Move In U. N.?

Meanwhile, it was learned that the State Department has discussed with New Zealand the possibility of a new move within the United Nations.

The idea, which apparently has now been shelved, would have New Zealand introduce in the U. N. Security Council a resolution to denounce the use of force in the Formosa area.

In diplomatic talks, Britain is reported to have advised against any such move now. The British apparently felt any effort to revive U. N. consideration of the Formosa problem should wait until after next week's 28-nation Afro-Asia conference in Indonesia.

**Envoys Encouraged**  
The Formosa situation is expected to play a big role in these

talks, with Red China and perhaps India leading attacks against the American policy of support for Nationalist China.

British, French and other foreign diplomats in the capital were reported generally encouraged by Stevenson's formula for avoiding hostilities over the rival Red Chinese and Nationalist claims to the offshore islands.

None would say, however, whether their governments would agree to join the United States in declaring readiness to fight for Formosa, if Quemoy and Matsu were abandoned to the Reds as Stevenson suggested they might be under such conditions.

## Season Is Open On Bankruptcies

WASHINGTON (AP)—The House Appropriations Committee said today the coming fiscal year may see the "highest number of bankruptcies recorded in the history of the country."

It made the observation, without elaboration, in sending to the House a \$450,398,227 appropriation bill to finance the State Department, the Justice Department, the federal judiciary and the U. S. Information Agency for the bookkeeping year starting July 1.

During the current fiscal year, the committee said, approximately 65,000 bankruptcy cases will be filed, with an increase to 75,000 expected next year.

In New York Dun & Bradstreet, Inc. said the peak year for actual business failures, as measured by its index, was 1932 when 31,822 commercial or industrial failures were reported. The total for 1954 was 11,066, the agency said, and failures for the first three months of 1955 have been running at about the same rate.

## Deposed King Farouk Says He Needs Job; Still Night-Clubbing

ROME (AP)—Ex-King Farouk of Egypt needs a job and is having no luck finding one, the Italian magazine Tempo reports.

In an interview with the deposed monarch, who has been living lavishly in exile, the magazine's current issue quotes him as saying:

"It was never personally rich. The men of the revolution confiscated all my private property. 'My situation is critical. I must go to work to live.'"

The ex-king's only sign of retrenchment so far has been to give up his suburban villa and move into an apartment in Rome. He still travels the night club circuit in kingly style.

The four-engine Constellation went down Monday night in the South China Sea between Borneo and Malaya. Eighteen persons were aboard, including eight Chi-

## Berlin Expects Red Crackdown

BERLIN (AP)—Communists surrounded West Berlin looked today for a new Red crackdown on its traffic with the Soviet zone following East German charges that the Western powers have turned the city into a spy center.

The East German Cabinet Tuesday night announced the arrest of 521 "Western agents" and the liquidation of "a considerable number of espionage and terror groups." It said these were being directed from Allied-occupied West Berlin.

West Berlin circles anticipated the Communists would put new restrictions on German moving between the Allied part of the city and the eastern zone. Many Germans live in one area and work in the other.

Any West Berliner seeking to enter the east zone must obtain a special permit from the East German Ministry of the Interior. Movement between Berlin's Western and Soviet sectors is still free.

The East German announcement claimed the American-operated radio DIAS in West Berlin was organizing the espionage and sabotage on orders from the U. S. central intelligence agency (CIA).

The announcement charged that U. S. "Secret Service agents" had poisoned 1,200 head of cattle recently and that the U. S. Counter Intelligence Corps had distributed more than a million fake ration cards in East Germany to sabotage the food supply. West Berlin observers considered this an attempt to blame the recent food shortage on the West.

The agreement, still to be formally signed by the NATO nations, provides for exchange of data dealing with:

1. Development of defense plans.

2. The training of personnel in the use of and defense against atomic weapons.

3. Evaluation of the capabilities of potential enemies in the use of atomic weapons.

Announcement of the President's approval of the proposed agreement was made at his vacation headquarters here by White House Press Secretary James C. Hagerty.

The agreement is drafted in line with terms of the 1954 revision of the Atomic Energy Act.

Hagerty emphasized that the agreement "does not relate in any way to exchange of atomic information with anyone on the manufacture or production of atomic weapons."

He added in response to a question that under the agreement no actual atomic weapons will be exchanged.

## Peiping's Charge Of Sabotage In Air Crash Called Nonsense

HONG KONG (AP)—Hong Kong's government ordered a full police investigation today into the crash of an Indian airliner chartered by Red China. But the British colonial authorities said the possibility that the plane was sabotaged here—as Peiping radio charged—was "extremely remote."

U. S. officials in Washington and Hong Kong dismissed the Communist charges as "ridiculous" and "utter nonsense." The plane's owners, Air India International, confirmed that mechanical trouble had delayed its departure from Bombay for Hong Kong for several hours.

The aircraft pilot, D. K. Jatar, is still missing. There was no immediate comment from Air India on Pirola's report.

The Hong Kong government statement, issued after an emergency meeting, said Britain's charge d'affaires in Peiping, Humphrey Trevelyan, over the

# Four States Dig Out Of Spring Snowdrifts

## Negotiations Over Auto Plant Wages To Be Long Grind

DETROIT (AP)—Auto industry negotiations over the guaranteed annual wage and other new contract issues settled today into a long grind expected to continue until an early June deadline.

The CIO United Auto Workers was scheduled to meet in separate afternoon sessions with General Motors and Ford. Negotiations with American Motors Co. also were due to start today over the same issues.

The GM talks were due to recess today until the middle of next week. The Ford conference, which began yesterday, were expected to last all week.

## Road Bill Delays Lrk Legislators

LANSING (AP)—Highway expansion and toll road construction continued to stir tempers in the Legislature today.

Sen. Haskell L. Nichols (R-Jackson) said that if a House-Senate conference committee on the highway expansion bill "does not agree on something pretty soon I am going to start another highway bill though the Legislature."

Nichols is chairman of the Senate Highways Committee and a member of the conference committee which has stalled a decision on the Peltz expansion bill for three weeks.

"In fact," Nichols said, "I would be willing to do anything to delay the end of this session until we can work out something for highways."

At the same time, Sen. Harold M. Ryan (D-Detroit) filed a bill to take State Highway Commissioner Charles M. Ziegler, a Republican, off the State Turnpike Authority.

## Pact To Exchange Atomic Data In NATO Approved

AUGUSTA, Ga. (AP)—President Eisenhower today approved a proposed international agreement on exchange of atomic weapons information among the 14 North Atlantic Treaty nations.

The agreement, still to be formally signed by the NATO nations, provides for exchange of data dealing with:

1. Development of defense plans.

2. The training of personnel in the use of and defense against atomic weapons.

3. Evaluation of the capabilities of potential enemies in the use of atomic weapons.

Announcement of the President's approval of the proposed agreement was made at his vacation headquarters here by White House Press Secretary James C. Hagerty.

The agreement is drafted in line with terms of the 1954 revision of the Atomic Energy Act.

Hagerty emphasized that the agreement "does not relate in any way to exchange of atomic information with anyone on the manufacture or production of atomic weapons."

He added in response to a question that under the agreement no actual atomic weapons will be exchanged.

# March Of Dimes Gets Credit For Helping Science Defeat Polio

ANN ARBOR, Mich. (AP)—Men, money and angry parents delivered the technical knockout to polio through the Salk vaccine.

The men—many scientists making discoveries step by step paying the way to a vaccine.

The money—10 million dollars or more in March of Dimes funds from the public to support this research. To this extent the vaccine is something the American people created.

The parents—angry at the stealthy invisible killer and despoiler of children, determined to extinguish its nerve-consuming fire.

Today the victory is within grasp with a successful vaccine, developed by Dr. Jonas E. Salk, of Pittsburgh, a dedicated scientist with incisive mind.

Today the first batches of an improved Salk vaccine are moving from pharmaceutical houses to public health officials and doctors' offices to begin inoculations of some 30 million children or more this spring and summer.

Within hours after the official verdict that the vaccine is up to 90 per cent effective in preventing paralysis, it was licensed by the National Institutes of Health for public use.

# Name Change At MSC Gets Legislative OK

LANSING (AP)—If everything goes according to schedule, the Senate will vote this afternoon to change Michigan State College to Michigan State University.

The House having already approved the name-change, the bill would then go to Gov. Williams for his consideration.

The upper chamber defeated two attempts to give Michigan State some other name Tuesday—then pushed the bill up for a final vote today.

Sen. Harry F. Hittle (R-East Lansing), who steered the measure in the Senate, predicted confidently that it would pass with several votes to spare.

## Operator Of Last Michigan Tent Show Dies In Vermontville

VERMONTVILLE (AP)—L. Verne Slout, who operated Michigan's last tent show, died Tuesday night at his home after a heart attack. He was 61.

Slout operated the Slout Players Tent Show for 29 years. He closed it in 1953 and since that time has operated antique shows in several cities in Michigan and Texas.

Slout wrote material and played principal roles in comedies which were featured in the tent show circuit. He also conducted theater workshops in schools and colleges in the winter months.

# Towns Isolated, Roads Closed By 2-Day Blizzard

CLAYTON, N. M. (AP)—Snow carried on brisk winds was piled on highways up to eight feet deep here today, isolating the town and stranding hundreds of motorists.

The spring blizzard extended from Wyoming to Nebraska and south into the Texas panhandle, where Dalhart, Tex., also was reported cut off from highway communications. Skies cleared over the area today and snowplows churned in towards the isolated towns.

**Bus Load Rescued**  
A Greyhound bus with 15 passengers and two drivers aboard was dug out of eight foot drifts this morning after one of the drivers, H. D. Prater of Amarillo, Tex., staggered into a filling station at Capulin, N. M.

The bus was trapped by the drifts Tuesday night. All passengers were removed and were enroute to Raton, N. M., this morning.

H. C. Haddock, Greyhound dispatcher at Raton, said all were in good condition. Prater collapsed after giving directions as to the location of his bus. Haddock said he was suffering from exhaustion from bucking the drifts for about 10 miles.

The storm covered an area composed of parts of Colorado, New Mexico, Texas and Oklahoma in what was apparently the final assault of a two-day blow.

**Piled 8 Feet Deep**  
Snow in the Clayton-Raton area was 8 to 10 inches deep, with drifts closing all highways up to 7 and 8 feet, Clayton Police Dispatcher Wayne Curry said.

He estimated at least 75 motorists were stranded in Clayton itself. Many others were spending the night in their cars on the highways.

National Guard crews worked out of Clayton and some of them were trapped by the drifts, Curry juries from the storm.

Sheriff W. J. Josey of Ration said crews working toward the stranded bus found several cars—including one containing a mother and her two children—trapped in the drifts. They were freed by snow plows and made their way to town safely, he said.

Telephone communication with Clayton was restored this morning after lines were snapped Tuesday by the wind. Both Clayton and Dalhart were out of telephone communication for about 24 hours.

Hittle retorted that Hutchinson's proposal would "circumscribe the general scope of the college's activities" to agriculture at least in the public mind and that the name was not descriptive of the nation's eighth leading institution.

Hutchinson argued that a compromise name must be found by the Legislature because MSC was so determined to have nothing but "Michigan State University" and the University of Michigan was determined to have almost anything but that.

Hittle retorted that Hutchinson's proposal would "circumscribe the general scope of the college's activities" to agriculture at least in the public mind and that the name was not descriptive of the nation's eighth leading institution.

# Quemoy Sees No Hint Of Attack

QUEMOY ISLAND (AP)—Only two days short of the oft-rumored target date for Communist Invasion, Quemoy's soldiers and civilians alike said today they see no indication the Reds are coming—yet.

Except for the shelling and the always busy defense builders, Quemoy wore its usual deceptive air of peace. At its nearest point it is less than five miles from the Red mainland.

The garrison commander, Lt. Gen. Liu Yu-chuan was absent on little Quemoy (a satellite island even nearer the mainland) today but his political officer, Col. Tien Shu-sin, said the Communists have at least 2,000 craft of all types in this area and plenty of men and guns to try an invasion.

However, most defenders here don't expect one because the Reds still don't have airfields close enough as they now have near the Matsus.

Also, the beaches here are heavily defended. Quemoy's strength is a military secret but as the rumored invasion days approach it can be said that Quemoy is stronger in men and arms than it was a year ago when its manpower was estimated at 40,000.

Greenspun said the column also expressed the hope this fate would not befall McCarthy. "I've said a lot worse things about him," he said.

If convicted, Greenspun is liable to \$5,000 fine or five years imprisonment, or both.

## Named Top Farmer

MIDLAND (AP)—Raymond Terwilliger, 31-year-old World War II veteran, has been named Midland County's outstanding young farmer of the year.

# Vaccine To Save Lives Offset By Bombs To Kill

WASHINGTON (AP)—The world rejoices that there is a vaccine for polio but—

One of man's oddities is that while he works overtime to make his life longer he also looks for ways to make it shorter.

While scientists struggled to find a weapon against polio, others were busy making bigger and better hydrogen explosives.

### Defense Breaks Nations

In the end millions of people whose lives now will be prolonged by the new vaccine may have them unduly shortened by the bomb.

A thousand years from now, if there are any humans left in those days and they have formed a way to end war, they may look back on these days and wonder:

"Why couldn't those 20th century people ever find a cure for the most dreaded disease of all: pushing. People were forever pushing other people."

"The money they spent looking for a cure for polio, or cancer or heart disease was only a pittance compared with what they spent on defending themselves from one another."

### History Repeats

Jonas E. Salk, the young doctor who developed the polio vaccine, may prove over man's long history to have been worth more than a thousand armies.

But that's problematical. It isn't hard to look back, and not far, to find that while mankind was continually seeking ways to save itself it was energetically finding new ways to destroy itself.

In 1784, just as Edward Jenner was on the verge of finding a vaccine against smallpox, British Lt. Henry Shrapnel invented a highly effective shot for mowing men down in bunches.

All Europe was feverishly building modern armies at the very moment in 1885 when Louis Pasteur was first inoculating a human being against rabies.

ROCHESTER, Minn. (AP)—A Green Bay, Wis., girl whose heart was mended with the aid of a mechanical heart and lung sipped orange juice today and appeared to be "coming along fine."

"I don't see how it was possible for the doctors to repair in one day what has been troubling Julie all her life," explained Mrs. Rexford Palmer, Julie is 11.

Surgeons purified and pumped the girl's blood through use of a mechanical device Tuesday while they sealed a hole the size of a nickel in the wall separating Julie's heart chambers.

"It's wonderful what the surgeons were able to do," her mother said.

Doctors estimated it might be between two and three weeks before the girl is strong enough to leave Methodist Hospital here.

# Outstanding Editor Of Menominee Newspaper Appointed Press Editor

Jean Worth, outstanding Upper Peninsula newspaperman of more than 30 years' experience and editor of the Menominee Herald-Leader since 1943, has been appointed editor of the Escanaba Daily Press, effective May 1. It was announced today by Frank J. Russell, president of the Delta Publishing Co., Inc.

In addition, Worth, who began his newspaper career in Menominee in 1922 and spent three years in reporting and promotion work for the Detroit Times, will serve this newspaper and daily newspapers in Iron Mountain and Marquette in an Upper Peninsula regional capacity, Russell said. He will write news and interpretive articles of events and occurrences of Upper Peninsula-wide interest and importance.

Simultaneously, the publishing company president also announced that James G. Ward, Jr., general manager of the Escanaba Daily Press since 1950, has been appointed associate publisher in charge of all Press operations.

**Rewrite In Detroit**  
Kenneth L. Gundersen and Clinton B. Dunathan were appointed to serve as managing editor and city editor, respectively of the Daily Press.

Worth, who was born in Menominee May 5, 1904, attended Menominee public schools and was graduated from the American Academy of Dramatic Arts in New York City in 1925. He is married to the former Margaret St. Peter, daughter of the late Mr. and Mrs. Francis X. St. Peter, and the couple have three daughters, Mary 15, Jeanne 12 and Ann eight. Mrs. Worth is a graduate of Trinity College, Washington, D. C., and an alumna of St. Mary's of the Woods College, Terre Haute, Ind.

After serving as rewrite man and assistant in editorial promotion for the Detroit Times for three years, he returned to the Menominee Herald-Leader for the third time in 1930 to serve as city editor. He became managing editor on the death of Bradley Donnell in 1934, and he was appointed editor upon the death of Roger M. Andrews in 1943.

**Newspaper Citations**  
For his coverage of the Menominee county soil conservation district's program, the Menominee Herald-Leader was cited by the Michigan Association of Soil Conservation Districts in 1954 for outstanding service.

Under Worth's direction, the Menominee newspaper performed an outstanding service in reporting and assisting in the finding of little Beverly Kay Bradley, who was lost for some time, and for this accomplishment, the newspaper was cited in 1953 by the Associated Press Managing Editors Association. Worth received the award at the annual AP convention in San Francisco.

The new Escanaba editor has been very active in Menominee community affairs. He is chairman of the Menominee Board of Park Commissioners, member of the Menominee Spies Library Board, former secretary of the Menominee Board of Education and chairman of the citizens' committee for new schools in Menominee.

**Member State Groups**  
In addition, he is a member of the state advisory committee school service program sponsored jointly by the State Department of Public Instruction and the W. K. Kellogg Foundation. The aim of the program is to show how much can be accomplished by community and school cooperation. He recently was appointed

## Valuation Boost In Delta County

The annual April session of the Delta County Board of Supervisors closed yesterday afternoon with a committee's report on the county's assessed valuation which was set at \$34,472,028.

The total equalized valuation represents an increase of \$873,400 over the \$33,598,628 county valuation last year.

Broken down, the 1955 assessed valuation is derived from \$26,925,665 in real property and \$7,546,363 personal property. This year's increase was about equally divided between real and personal property.

It its closing session the board also approved an increase of \$25 per month in the salary of Orrie Switzer, county dog warden.

An allowance of \$50 was approved for uniforms per year for each of three members of the sheriff's department.

The increase in county valuation is due largely to new homes and properties, the committee advised. The increase continues a steady trend that was represented last year by the pipe line installations.

# U.P. Power Co. Offers 1¢ Kwh Wholesale Power Rate To City For Lease Of City-Built Plant

A proposal to lease a city-built electric generating plant to operate it and sell wholesale power to the city at a rate of 1 cent per kilowatt hour, and to interconnect the system with present facilities of the Upper Peninsula Power Company, was offered by the Power Company to the Escanaba City Council last night at a special meeting in City Hall.

Relief of the power shortage at the earliest possible time and an assured supply of firm power at a low rate were cited as advantages which would accrue to the city under the proposed arrangement.

The offer was presented to the city by John H. Warden, Houghton, president of the U. P. Power Company.

## Plan Conference

The proposal will be reduced to contract form and will then be studied by a special committee of Escanaba citizens, comprising Atty. Wheaton Strom, chairman, Andrew Skaug, Herbert Flath, Robert Losse and John Greene. About 10 days will be required to draft the offer into contract form.

After it has received the study of the special citizens committee, it will receive further consideration at a meeting of the City Council, the committee and officials of the U. P. Power Company.

On April 4 the citizens of Escanaba by a two-to-one vote rejected an offer of the U. P. Power Company to purchase the city's electrical distribution system. Two other proposed solutions to the community power problem will be voted on May 16 in an advisory ballot. The question will be a choice between a municipal electric generating plant and contracting with Alger-Delta Cooperative Electric Association to purchase power wholesale.

Last night the City Council received a request from officials of Alger-Delta to meet with them and with Rural Electrification Administration officials during the week of April 25. The Council agreed to meet when notified of the date.

## Favorable Financing

The proposal of the Upper Peninsula Power Company is as follows:

"We wish to submit, for your consideration, the following proposal for taking care of the City's electrical power needs.

"It is a plan whereby the City, working in cooperation with the Company, can obtain an econom-

ical, firm and expandable supply of power, a supply which will take care of its needs for many years in the future.

"It is made possible by the City's ability to finance such a program on very favorable interest rates.

"The proposal is as follows: "The City will build an electric power plant consisting of two 7,500 kilowatt units and lease it to the Company.

"The Company will sign a contract for the lease containing the following provisions:

"1. The Company will pay a rental equal to all interest charges on the bonds which are sold for building the plant and the sinking fund payments which will assure the retirement of the bonds over a 35-year life. It is estimated that interest and sinking fund requirements will amount to approximately \$200,000 per year and will constitute the rent paid by the Company for use of the plant.

## 10-Year Contract

"2. The Company, at its own expense, will operate the plant and maintain it in efficient operating condition.

"3. The Company will sell wholesale firm power to the City at a rate of one cent (1.00c) per kilowatt hour. This price is based on the present price of coal which is approximately thirty cents (30c) per million B.T.U. and will provide for an adjustment of 1.5 mills per kilowatt hour for each one cent of increase or decrease of coal above 31c per million B.T.U. or below 29c per million B.T.U. per pound.

"4. The contract for purchase of power will be for a minimum of ten (10) years, with an option for renewal at rates to be mutually agreed upon at that time and with an agreement that, if the City and Company cannot agree upon a rate, the question will be settled by an outside arbiter, de-

tails of such arbitration to be included in the contract on a basis satisfactory to the City.

5. The lease agreement will be for a minimum of ten (10) years with options of renewal, or, if the City desires a longer term lease and can enter into such a contract, it will be agreeable to the Company to make it for the entire life of the bonds which have been set up on a 35-year basis.

## Care For Area

6. The Company will proceed immediately after completion of this agreement to build an interconnecting line of 69,000 volts between Escanaba and its transmission system at Gwinn. This line, upon completion, will make some much needed additional power available to the territory before the plant is completed, and, upon completion of the plant, will give relay capacity to the plant so that the plant will have a firm capacity of both units or approximately 18,000 kilowatts.

"7. This proposal is based upon the Company acquiring the distribution facilities of the Upper Michigan Power & Light Company so that the Company can take care of the surrounding trade area of Escanaba and obtaining any necessary approvals, including approval from the Michigan Public Service Commission.

This proposal offers many advantages to the City as follows:

1. It will assure the City a firm source of power and on which the City will have first call for many years at the very lowest cost and at costs substantially lower than it could expect from an isolated plant.

2. The City will continue to own and operate its distribution system on a profitable basis.

3. It will relieve the City of operating the plant.

4. It will give the City the advantage of an interconnection with the Company's system and allow standby which will make 18,800 kilowatts of firm power available from the plant.

## Still Own Plant

5. It will make a firm power supply available for Escanaba's trade area.

6. Early completion of the transmission line will help relieve present power at earliest possible time.

7. It will allow Escanaba to own a generating plant without the risks involved in operating it and

on which it is guaranteed a rental equal to its interest and sinking fund payments. At the end of the 35 year period, the City will own the plant debt free.

8. It will solve its power problem on a long term basis.

9. Based on conservative estimates of its load growth during the ten years of the contract, it will be buying power on a firm basis at a saving of more than \$250,000 less than it has been offered for excess or standby power.

"We wish to thank you for the opportunity to present this proposal and hope it will receive your favorable consideration and, if the proposal as outlined is acceptable, we will proceed immediately with the preparation of a contract for your acceptance."

## Personals

Dr. and Mrs. Frederick Hirm, 415 S. 10th St., have returned from Madison, Wis., where they visited their son-in-law and daughter, Mr. and Mrs. Robert Neimi, and family. They also visited relatives at Janesville, Wis. Miss Jeanne Hirm of South Bend joined the family at Madison.

## District Scout Chief Arrives

Lester J. Mack of Madison, Wis., arrived in Escanaba yesterday to begin his duties as executive of Red Buck District, Boy Scouts of America, an area comprising Delta and Schoolcraft Counties and the northern portion of Menominee County.

He will fill a vacancy in the Scout organization created with the transfer last fall of Andy Houston to a new assignment in Illinois.

Born in Madison and a graduate of Madison West High School, Mack in February this year graduated from University of Wisconsin school of commerce. He is 24 years old and unmarried.

In preparation for his work in Scouting, he has completed a seven-week course at the National Training School, Boy Scouts of America, Mendham, N. Y.

Active in Scouting since he was 12 years old, Mack attained the Eagle rank, highest in the Boy Scouts. He also served as an assistant Scoutmaster, and while in school was a neighborhood commissioner for a Scout troop.

His parents are Mr. and Mrs. A. E. Mack of Madison, where his father operates a grocery store.

## ORDERS OBEYED

OKLAHOMA CITY (AP)—Maj. Clay Scheid, police traffic director, admonished his officers to "give every traffic offender a ticket." Several days later he paid a \$5 fine for his wife, who was given a ticket for speeding.

## Mrs. Bender Named Head Of Soo Hill PTA

SOO HILL—Mrs. Frank Bender has been re-elected president of the Soo Hill PTA for the coming year. Associate officers are Sam Peterson, 1st vice president and historian, Harold Meiers, 2nd vice president, Tom Needham, 3rd

vice president, Mrs. Steve Marziarz, secretary, and Mrs. Merrill Carlson, treasurer. Mrs. Arthur Hammerberg was named delegate to the state convention at Marquette.

An open house will be held at the school Sunday, April 17, and the public is invited to attend to inspect the new building.

# Salk Vaccine Results Show How Your Dimes And Dollars Work

THE official announcement of the Salk vaccine evaluations by Dr. Thomas Francis Jr. in Ann Arbor is wonderful news for America and for the entire world. It is a tremendous dividend for those dimes and dollars that you have contributed through the years in the annual March of Dimes campaigns.

Now at last a safe, effective and potent vaccine has been produced that all but kills polio as a great destroyer of human bodies. The results of the Salk vaccine tests are more than encouraging. They are tremendous.

The Salk vaccine does not provide immunity to polio. In the group of nearly two million children in the tests, there were 863 cases of diagnosed polio. Of these only

113 were children who had been given the Salk vaccine and 71 developed paralysis. The remaining 750 cases occurred among non-vaccinated youngsters and 445 of them were paralyzed. These are figures that indelibly prove the wonderful value of the Salk vaccine.

Undoubtedly considerably more progress will be achieved in the months ahead in improving the quality of the vaccine and, of course, particularly in increasing production of the product so that vaccine will be available for all who may desire it.

The wonderful results of the Salk vaccine should satisfy everyone that their contributions to these worthwhile national health foundations really pay big dividends.

## Words, Wit & Wisdom

By William Morris

Today's vocabulary test is based upon ten words which will prove valuable additions to your vocabulary. After each numbered word you will find a word of almost the same meaning among the words and phrases following it. When you have all the answers, check against the correct pairings at the bottom. Here is how we score the quiz: ten correct, excellent; eight or nine, superior; six or seven, fair.

1. Foray: (a) poisonous tropical fish, (b) glance ahead, (c) raid.
2. Gibbet: (a) chicken's liver and gizzard, (b) gallows, (c) famed historian of Rome.
3. Felicitous: (a) considerate, (b) generous, (c) appropriate.
4. Glutinous: (a) eating to excess, (b) sticky, (c) pertaining to an oversupply.
5. Hegemony: (a) supreme command, (b) multiple matrimony, (c) inherited wealth.
6. Foment: (a) to decompose, (b) instigate, (c) caress.
7. Senility: (a) priority in rank, (b) delicacy of touch, (c) old age infirmity.
8. Potable: (a) a drink, (b) easily carried, (c) kind of small radio.
9. Penetration: (a) windows of a building, (b) dark forest, (c) ends of the earth.
10. Foofaraw: (a) Oriental potentate, (b) nonsense, (c) explosive sneeze.

ANSWERS (with pronunciations): 1c (FOR-ay), 2b (JIB-bet), 3c (feh-LISS-ih-tus), 4b (GLOO-tih-nus), 5a (seh-JEM-uh-nee), 6b (foh-MENT), 7c (seh-NIL-ih-toe), 8a (POH-tuh-b'l), 9a (fen-est-TRAY-shun), 10b (FOO-fuh-row).

How large is your vocabulary? How many thousands of words can you use with confidence? For the answers to these questions, just send a stamped self-addressed envelope to William Morris in care of this newspaper for a free copy of his new self-scoring vocabulary test. It will show you how many words you know now and how to increase your word power almost immediately.

## Today In Washington

By DAVID LAWRENCE

WASHINGTON—Representative Martin Dies of Texas, Democrat and former chairman of the House Committee on Un-American Activities, says President Roosevelt blundered at Yalta and that to acknowledge the mistakes "is not a condemnation of the Democratic party." Mr. Dies has written to this correspondent a letter which is presented here in full text:

"Of all that is being written and spoken concerning the tragic mistakes of Yalta, certain basic facts are being ignored or overlooked. In order to understand Yalta, it is essential to know the attitude of the Roosevelt administration towards Russia and communism when the President and his advisers met with Churchill and Stalin to decide the future of the world.

"No judge or juror can render a fair decision if he has preconceived opinions or if he hears the case with his mind made up in advance of trial. I know it to be a fact from my conversations with Mr. Roosevelt, Mr. Ickes, Mr. Hopkins, and other members of the Roosevelt team that Mr. Roosevelt and his advisers went to Yalta with tragically erroneous ideas about Russia and communism. As I have reported many times since 1939, Mr. Roosevelt and his key aides told me quite frankly and definitely that they did not believe the findings and conclusions of the Dies committee with reference to the criminal and aggressive plans, tactics and methods of Communists at home and abroad, and that they believed that the future of America depended upon close collaboration with Russia and a tolerant, if not protective, attitude towards Communists in the United States. They ridiculed the finding of the Dies committee contained in our first report dated January 3, 1939, which reads as follows:

"We have shown that communism is a world-wide revolutionary movement aiming ultimately at the setting up of a world union of Soviet Socialist Republics. This is a proposition which is beyond dispute. It is substantiated by voluminous literature of the Communists themselves.

### CONQUEST OF AMERICA

"In this plan for world revolution, the Communists have omitted no country or people as too small or insignificant to command their attention. They have, on the other hand, taken the logical position of concentrating their attention upon the richest and most populous countries of the earth. Among these the Communists recognize the United States of America as the foremost. The Communists' conquest of the earth will be far less than complete until it has conquered America and destroyed our free institutions.

"It follows logically from the Communist International's plan of world conquest that every possible tactic, device, maneuver, and intrigue would be employed to gain such an end as the communization of America. These tactics, devices, maneuvers, and intrigues are both boldly open and patiently subtle, both violent and insidious. The tactics and maneuvers for revolutionary ends are the meat and drink of a Communist. They are the very air he breathes.

"Mr. Roosevelt treated this and many other warnings issued by me and the committee concerning the tactics and aims of the Communists as a huge joke. On one occasion Mr. Roosevelt laughingly told me that he thought I 'saw a Red under my bed at night.' Mr. Ickes called me a 'zany' and ridiculed me publicly. Mr. Perkins made the false statement publicly that I had accused Shirley Temple of being a Communist.

"It is this sort of attitude and thinking which Mr. Roosevelt carried with him to Yalta. Is it any wonder, therefore, that America lost at Yalta the fruits of hard-won victory and that Stalin came out of the conference with concessions that changed the map and future of the world?

### NO ULTERIOR MOTIVES

"I do not mean to imply that Mr. Roosevelt was actuated by ulterior motives. I do not believe there has ever been a President of our country who intentionally did something contrary to the best interest of our country. Neither do I seek to detract from Mr. Roosevelt's great leadership during the dark days of the depression. But it is important to our children that we face up to the ugly truth of Yalta in the hope that future generations will profit by our mistake and avoid another Yalta.

"Blind and misguided partisanship which defends the indefensible does not serve the best interest of our country. It is not a condemnation of the Democratic party today to acknowledge one of the worst blunders in the history of our country. The Republican party has been guilty of tragic blunders, such as the reconstruction era after the war between the states which did so much to retard the political, economic and spiritual growth of our country.

"The 'party hacks' who condone and defend the mistakes of their party are neither statesmen who serve the interest and welfare of their country, nor politicians who serve the ultimate interest of their party.

(Reproduction Rights Reserved)

## Into The Past

10 YEARS AGO

Escanaba—James J. Cummings, in charge of the OPA office here, has accepted a position as manager of the village of Kingsford.

Manistique—Radio interference in Manistique was declared by members of the city council at its recent meeting as "intolerable" and city employees were ordered to make the rounds of the city with a detector device and try to crack down the source of the offensive blunders.

Escanaba—Mrs. Henry A. Peterson was elected president of Franklin PTA at a meeting of that organization Tuesday evening.

20 YEARS AGO

Gladstone—A warning has been issued by the Northwestern Co. and Lumber Company that fishing from the boom of that plant will not be tolerated because of the drowning hazard involved.

## The Meeting Could Break Up Any Minute

NEA Service, Inc.

## Experts On Asia See Danger Of Greater Red Axis Victory

UNITED NATIONS, N. Y.—(NEA)—Leaders of 29 nations meet on April 18 in Indonesia—another Asian state in peril of Red domination—for what is hailed by the Moscow Pravda as the "first joint Asia-Africa Conference in history."

Largely sponsored by India's Premier Jawaharlal Nehru, Nationalist China, South Korea and Israel, though Asian states, were not invited to the Bandung meeting.

But Red China's Premier Chou En-lai, backed by Moscow and a powerful group of neutralist and pro-Communist Asian and African nations, is expected to play the leading role at the talks.

Thus, while U. S. and United Nations attention has been diverted to the Formosa Straits, the Reds have again stepped up their diplomatic offensive in the so-called "oppressed colonial countries."

Some UN Asian experts believe the Bandung conference is likely to result in the greatest political victory yet gained by the Moscow-Peiping Axis in the cold war. It might further undermine U. S. prestige in Asia and Africa and tip the propaganda scales in favor of the Reds in the Formosa crisis.

A warning to this effect was voiced by Hasan Muhammad Tiro, youthful UN spokesman of the strongly anti-Communist Darul Islam movement of Indonesia.

"The Bandung conference will be little more than a propaganda rally for Communist China at the expense of the people of Indonesia and other participating nations," Tiro told NEA Service.

A similar declaration was made by the National Committee for the Independence of Eastern Turkestan, now under Russian rule. The Committee, whose headquarters are at Istanbul, lodged a strong protest against the participation in the meeting of Red China, "the most tyrannical imperialist country."

Not all Asian or African states who will attend the Asia-Africa conference are supporters of Premier Nehru's brand of Asian "neutralism." Some—Turkey, Pakistan and the Philippines—are strongly anti-Communist.

The Philippines will be represented at the Bandung talks by dynamic and outspoken Gen. Carlos P. Romulo, the staunchest friend the U. S. has in Asia.

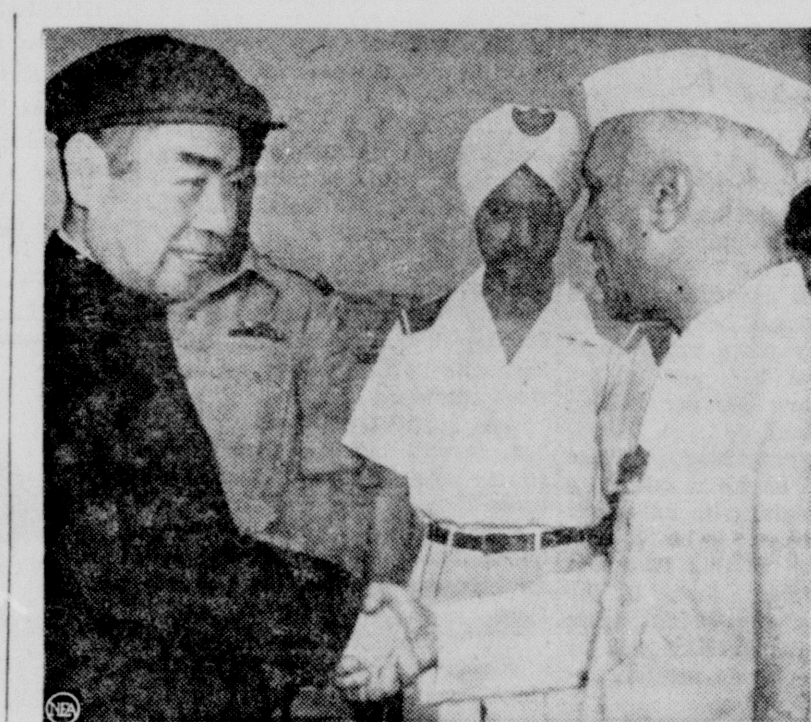

At the same time, Pakistan has already informed the Red-infiltrated government of Indonesia—the host nation—that she will not join any move designated to disrupt SEATO, the Southeast Asia Treaty Organization.

Nevertheless, with crafty Chou En-lai calling the shots, the U. S. and "American atomic imperialism" are expected to be the main targets at Bandung.

Red China will certainly use the meeting to further aggravate anti-American feeling in Asia by presenting all efforts to curb Red expansion as "colonialism."

The U. S. will be branded as the spearhead of "atomic imperialism," and Formosa will be listed among the colonial territories to be liberated. Since Peiping considers the Formosa problem a domestic issue, no Asian or African nation—with the possible exception of the Philippines—is likely to commit the diplomatic indiscretion of championing Formosa's cause.

Premier Nehru's willingness to become a party to this propaganda, despite his announced opposition to "propaganda tactics," il-

CHOU EN-LAI (left) and NEHRU: A party to Peiping propaganda, India's premier plays a dual role in the East-West conflict.

lustrates again the dual role he plays in the East-West conflict.

Meanwhile, the Bandung conference will call the free world's attention to Indonesia which, like Indo-China and North Korea, is being slowly strangled by creeping Communism.

A nation of 80 million and rich in natural resources, Indonesia was for three centuries a Dutch colony. She gained her independence with the help of the U. S. after the end of the last war.

However, independence brought no peace. Twice, in 1946 and 1948, the Communists backed by Moscow tried to seize power through armed insurrection.

They failed in both attempts. But they have since achieved through infiltration what they were unable to win by force of arms. Indonesia's President Sukarno and Prime Minister Ali Sastroamidjojo are virtually prisoners of a Communist-dominated government.

Indonesia on the eve of the Bandung conference is seen here as in much the same position as Czechoslovakia six months before Jan Masadyk's suicide.

Preparations for a Red coup with the backing of Moscow and Peiping are gathering momentum. It might take place at any time after the end of the Asia-Africa talks.

They failed in both attempts. But they have since achieved through infiltration what they were unable to win by force of arms. Indonesia's President Sukarno and Prime Minister Ali Sastroamidjojo are virtually prisoners of a Communist-dominated government.

## Edson In Washington

By PETER EDSON

WASHINGTON—(NEA)—Here's the score card for 84th Congress activity after three months, or half of the first session, according to Rep. Omar Burleson (D., Tex.):

"Nearly 7000 bills have been introduced; 178 reports have been filed; 12 bills have become law; about 60 roll calls have been taken; 59 new lobbyists have been registered.

"The Congress is taking a few days' recess for Easter. Perhaps during this breather and during the time which holds a religious significance for millions of people, members of Congress may take an inventory of themselves. It is an easy matter to take an inventory of the accomplishments of the Congress. But it is not an easy matter to take an inventory of one's self."

SEN. NORRIS COTTON (R., N. H.) suspects that members of Congress are so loaded with special briefings and advice that they sometimes ignore plain common sense.

"The intellectual subtlety that abounds in Washington is enough to make your head swim," says Senator Cotton. Here are some of the examples he gives:

"College professors lecture us on the finer distinctions of the philosophies of government. Diplomats brief us on the delicate nuances of world relations. Sociologists instruct us on the causes of crime and delinquency and the psychological background of race prejudice.

"As for technical knowledge," adds Senator Cotton in a letter to his constituents, "if you could sit with us in committee rooms listening to scientists, military experts, and economists expound on everything from atomic energy to the stockmarket, you would quickly realize that while we certainly need all the information we can get, too much exposure to technical knowledge can confuse the lawmaker and divert from the direct, simple reasoning of common sense."

THE INSTALLATION of milk vending machines in the Republican and Democratic cloakrooms of Congress has given Secretary of Agriculture Ezra Taft Benson a big lift.

"In those very rooms, through the years, the problems of the dairy industry have been discussed upon thousands of occasions," he told the Pacific Dairy and Poultry Assn. at its Salt Lake City convention.

"Now Congressmen have the means of attacking the dairy surplus problem through consumption as well as through legislation."

A VAST INCREASE of "Parrot Mail" has been pouring into Congressional offices, according to Rep. Earle Wilson (R., Ind.). Parrot mail consists of identically worded letters written by different individuals living many miles from each other.

"Obviously such writers are tools of high pressure operators who themselves should be too smart to resort to such methods," says Representative Wilson.

He cites one example that fooled him completely. Several weeks ago he heard from one of his constituents with whom he had corresponded over the years on a number of matters. The letter was answered promptly and the requested information supplied.

"Imagine my chagrin and annoyance when, a few days later, I received an identically worded letter from another constituent who lives several counties removed from the first. I am sure they were not acquainted," reports the Hoosier Congressman.

What did he do about it? "I did just what anyone would do," explains Representative Wilson. "I sent them identically-worded answers. It was no more than they deserved."

ALL CONGRESSMEN keep a pretty close eye on their mail from home, but sometimes it gets pretty discouraging.

Rep. James C. Wright, Jr., (D., Tex.) reports that a member of the Lone Star state delegation got a telegram from a constituent who didn't like one of the Congressman's recent votes. "Enjoy yourself," the wire said tersely. "It's later than you think."

Another Texan got a wire from home demanding that the Congressman do something to get the cowboys and Indians off television.

AFTER SEN. Hubert Humphrey (D., Minn.) introduced a bill to abolish the antiquated Electrical College voting system to rubber-stamp the election of President and Vice-President, he got a postcard from Hazel I. Danneker, of New Castle, Ind. It read:

Well, it isn't much of a college for it's never produced, to our knowledge, a good football team.

And so it would seem. It might just as well be abolished.

Not all girls like athletics, but most of them are fond of good sports.

## Try And Stop Me By BENNETT CERF

The business of big league baseball stars having scribes ghost-write for them, once came a cropper when Christy Mathewson, great Giant pitcher, made such a deal for the 1911 World Series.

In the second game, recalls John Lardner, "Home Run" Baker of the Athletics hoisted a pitch by Matty's colleague, Rube Marquard, into the grand stand, the homer winning the game.

Matty's ghost waxed critical. "You've got to be careful pitching to a strong pull-hitter like Baker," were the words he put into Christy's mouth, "or he's likely to bust one. Marquard made his big mistake throwing the exact pitch Baker liked best."

The next afternoon, Matty hurled against the A's himself. He had them whitewashed until the ninth inning when (boom!) Baker hit one of his heaves even further into the stands than he had against

Marquard. The Athletics beat the Giants once more and Christy gave up the ghost, as it were.

## The Doctor Says...

### Hissing Noise In Ears Is Generally Not Dangerous

By EDWIN P. JORDAN, M.D. — Written for NEA Service

"I have an almost constant roaring on one side of my head. The noise is roaring and hissing and makes me so dizzy that I cannot think straight at times. Can you help me with this?" So writes A. M.

There seems no doubt whatever that buzzing, ringing or other unpleasant noises (known technically as tinnitus) either in one or both ears is one of the most common and unpleasant of human complaints, particularly in older people. The symptoms themselves are disagreeable enough but also they frequently cause an excessive amount of anxiety.

IT IS TRUE that there are several possible causes for these noises but the most common is almost certainly the disorder known as Meniere's disease. When this first begins the sounds are likely to be heard in one ear only and are often associated with a mild impairment in hearing in that ear. The dizziness described by Mr. M. is a common accompaniment and this can be so severe that a person actually falls or has to hold on to some fixed object in order to keep from doing so. It is perhaps the danger of falling with subsequent injury which is the most serious aspect of Meniere's disease.

The cause of most cases of Meniere's disease is believed to be a dropsy in the deep portion of the ear called the inner ear, or labyrinth. This accumulation of

fluid does not often develop in young people but from the age of 45 on it becomes increasingly common. Why it should develop at all is unknown.

ONE OR BOTH EARS may be involved. The attacks of dizziness may bother patients more than the ringing in the ears or loss of hearing. Fortunately in many cases the attacks of dizziness become less and less frequent and severe after the first few years.

The drinking of a lot of fluid may bring on an attack in a few hours, probably because of the increased accumulation of fluid in the labyrinth. With this as a clue some forms of treatment are aimed at cutting down the intake of fluids or removing excess fluids from the body.

MANY MEDICAL treatments have been tried with varying degrees of success. Surgery is also employed with good results in some and not in others. Surgical treatment, however, is usually reserved for those with the most severe symptoms.

Meniere's disease is more annoying and uncomfortable than dangerous unless the victim falls as a result of dizziness and hurts himself. It does not interfere too much with activities or bodily functions, but often does lead to increasing hearing difficulty. While the hearing loss may be progressive the unpleasant noises are apt to lessen with time.

Corporation Tax  
Promised Airing

LANSING (AP) — Republican legislators have agreed to give a corporations profits tax its first major public airing since Gov. Williams first suggested the tax six years ago.

The House Taxation Committee, controlled by Republicans, announced that it will hold a public hearing on the tax Thursday.

Corporations profits tax bills introduced in previous sessions have failed of passage.

"We're going to drag this thing out in the open and examine all the tax potentials," said Rep. Rollo G. Conlin (R-Tipton), chairman of the committee.

Conlin announced the hearing after a Republican caucus called to discuss the advisability of an open meeting.

The committee chairman said another public hearing will be held, "probably next week," on a bill to revise the business receipts tax, which he introduced himself.

Conlin's bill proposes raising the business receipts tax from four to seven mills on most businesses. It would also allow deduction of depreciation for tax purposes.

World Briefs

TOKYO (AP) — The Education Ministry promised an investigation of radio Tokyo TV. The station started its second week Friday telecasting a weekly, 20-minute strip tease.

WAKAYAMA, Japan (AP) — Sixty-three Buddhist priests of the 1,150-year-old Koyasan Kongobuji temple have formed a union. Their stated aim: protection against "arbitrary personnel changes."

SEOUL (AP) — The 8th Army said it contributed more than \$80,000 to the American Red Cross during a 41-day campaign.

TOKYO (AP) — Japan has set up a government group to push the study of peaceful use of atomic energy.

LONDON (AP) — Sir Anthony Eden moved Tuesday into No. 10 Down St., official residence of British prime ministers for 220 years. He arrived at the drab, brick-fronted house just as his predecessor, Sir Winston Churchill, left by plane for a two-week holiday in Sicily.

**SAY YOU'RE TIRED OF HIGH PRICES?**

SEE PAGE 2

DAILY PRESS Escanaba, April 13, 1955 5

**CONTRACT BRIDGE**  
By Josephine Culbertson

**THE WRONG CRITICISM**  
A CORRESPONDENT asks for an opinion about the bidding of the following hand.

North dealer.  
North-South vulnerable.

♠ A K 8 3	♠ J 10 9 4
♥ Q J 7 2	♥ 9 4 3
♦ 8 5	♦ Q 8 7 5 3
♣ A 6 4	♣ 7 6 2

The deal occurred at match-point duplicate, and this, according to my correspondent, was the bidding at his table, where he sat South:

North	East	South	West
1 ♠	Pass	3 ♠	Pass
3 ♠	Pass	4 NT	Pass
5 ♠	Pass	5 NT	Pass
6 ♠	Pass	6 NT	Pass

Now to quote directly: "I knew that six hearts might be slightly safer than six notrump, but I felt that every North-South would reach a slam, so I decided to try for a high match-point score by playing at notrump. I figured that there ought to be a fine play for 12 tricks at that contract. But nothing broke. West opened the diamond jack against me, and when I finally went down one, my partner almost had apoplexy. He said that I deserved a zero for not being satisfied with a six-heart contract. Was I so very wrong, at match-point play?"

The only reasonable answer is that South was not "so very wrong" in the bidding, but that he was very, very wrong in the play. He should have brought home the six-notrump contract—and had he done so, it is rather doubtful that North would have had any fault to find!

Since the opening lead revealed that West had seven diamonds and East had none, there was even less than the customary chance that the spade suit would break 3-3, and so South should have tried for a different chance—a really good chance. That was that East would be long in both of the black suits. South should have led his lone diamond before giving up control anywhere, and then when he cashed the top spades, the hearts and the three diamond tricks, East would have been squeezed out of his last spade or his club stopper.

## Jaycees Present Service Award To Dr. Johnson

Dr. Vernon K. Johnson, Escanaba dentist, was selected by the Escanaba Junior Chamber of Commerce to receive its distinguished service award, which was presented last night at a banquet held in the Delta Hotel.

The presentations were made by Don Guindon, last year's recipient of the award. Jack Manning, Jaycees president, described the purpose of the distinguished service award and introduced the speakers.

Present were several men who had received the award in past years, including T. D. Vinette, Dr. Roy Johnson, Karl Dickson and Don Guindon.

**Murphy Is Speaker**  
The speaker for the evening was Gervase T. Murphy, Calumet businessman, who stressed the importance of community service. He is former Chamber of Commerce president, former chairman of the Michigan Economic Development Bureau, past district governor of the Lions Clubs, and supreme director of the Knights of Columbus.

Murphy described the rewards to the community and to the individual in service to fellow citizens. He said that young men can, through the Junior Chamber of Commerce, do much to eliminate the causes of juvenile delinquency.

Young men should be active in politics, in service clubs, in church and community affairs, he said. In this way the town, the area and the nation will benefit through an active participation in the duties of good citizenship.

**Record Of Service**  
Dr. Johnson, recipient of the distinguished service award, is a graduate of Escanaba Senior High School, attended Michigan State College for three years, and is a graduate of Northwestern University dental school. He served for three years in the U. S. Navy as Lt. Senior Grade.

He is vice president-elect of the Escanaba Rotary Club, is a past president of the Escanaba Junior Chamber of Commerce, is a member of the Salvation Army board of directors, served as professional committee chairman of the Community Chest for three years, and assisted in Red Cross fund drives and school bond issue campaigns.

Last year, as international service chairman of the Escanaba Rotary Club he arranged for the visit in Escanaba of a foreign student. He is a member of Bethany Lutheran Church and is vice chairman of the church board of trustees, and is secretary-treasurer of the Upper Peninsula Dental Society.

## Straits Bridge Crew Works Around Clock

ST. IGNACE (AP)—Around the clock construction work was underway today on the 100 million dollar Straits of Mackinac bridge, due to be completed in the fall of 1957.

First 1955 work on the bridge began a week ago Monday, with full crews beginning operations this week and 24-hour operations starting Tuesday. The bridge will link Michigan's Upper and Lower peninsulas.

Grover Denny, project engineer for Merritt-Chapman & Scott, said finishing touches were to be put on piers started last year and that dredging was going on to permit moving of marine construction machines nearer shore.

While construction crews in the straits operate 24 hours a day, those ashore only work a day shift.

## Wall Street

NEW YORK (AP)—The stock market advanced today in its second straight move into new high ground.

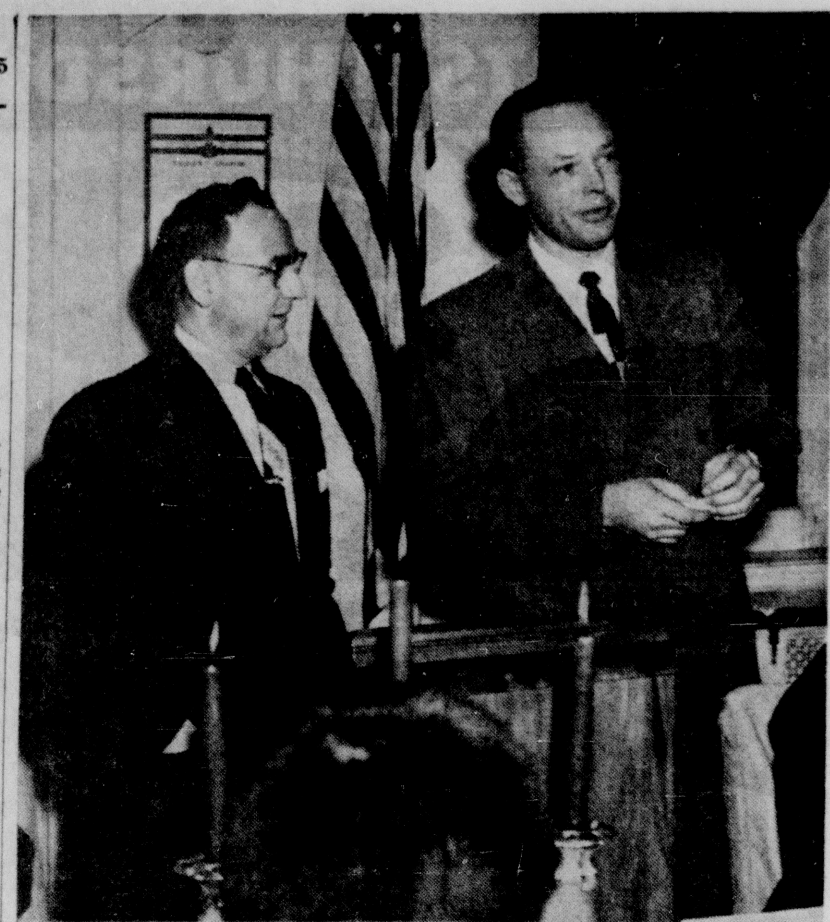

Coppers were lower, however, in a reflection of selling growing out of the British government plan to sell metal from its stockpile. Copper stocks were down around two points at the most. Elsewhere in the list, losses were around a point at the outside. Gains ran to two points at the most. Elsewhere were higher.

Business was at a pace around Tuesday's 2,770,000 shares.

American Tobacco was higher after announcing price increases on two brands. Reynolds Tobacco "B" followed up a little later.

Among other higher stocks were Bethlehem Steel, Mack Trucks, Douglas Aircraft, American Telephone, Western Union, Olin Mathieson, Chemical, Parke Davis, Santa Fe, and Standard Oil N. J. Lower were Anaconda Copper, Kennecott Copper, American Smelting, American Cyanamid, and Goodrich.

U. S. government bonds were unchanged.

**MAN OF THE YEAR**—Dr. Vernon Johnson, right, local dentist, was presented with the annual J-C outstanding citizen award last night. The presentation was made by Don Guindon, who was the last recipient of the award. (Daily Press Photo)

## Ripley Editor At Menominee

James M. Ripley has been appointed editor of the Menominee Herald Leader to succeed Jean Worth who will come to Escanaba as editor of the Escanaba Press May 1. It has been announced.

Ripley is well known in Escanaba. His wife is the former Irene McDonald, daughter of Mrs. A. H. McDonald, 1300 2nd Ave. S.

## Wholesale Prices Up Penny A Pack On Long Cigarettes

NEW YORK (AP)—Higher wholesale prices for king size cigarettes were announced today by American Tobacco Co.

The price of Pall Mall king size and "regular type" Herbert Tareyton king size smokes was hiked from \$9.10 to \$9.50 per thousand. That figures out to less than a penny a pack at wholesale.

No increase was made in the price of Lucky Strike cigarettes, which remain at \$9 per thousand or filter tip Tareytons which remain at \$10 a thousand.

The company said the price boosts for Pall Malls and "regular" Tareytons reflect "greater production costs due to their greater length and greater quantity of tobacco."

## Sextuplets Born

BELGRADE, Yugoslavia (AP)—A Zagreb weekly newspaper reported today that a 19-year-old woman gave birth to sextuplets in the mountainous province of Bosnia. The paper said all six of the babies—two girls and four boys—died. There was no official confirmation of the report.

Salable sheep 1,000; spring lambs fairly active, otherwise market slow; steady; two loads prime 1,200 to 1,400 lb. with fed lambs steady; slaughter sheep steady to 25 lower; good to mostly choice fed woolled lambs \$21.00 to \$22.25; latter price for a load 105 lb. averages; cull to low-grade lambs \$13.00 to \$20.00; small lots good and choice \$17 to 106 lb. No. 1 skin short lambs \$20.00; a few lots spring lambs \$23.00 to \$27.50; these weighing 50 to around 60 lbs.; cull to choice woolled ewes \$6.00 to \$8.00; similar grading ewes \$5.00 to \$7.25.

## Arthur Nelson Dies Suddenly

Arthur E. Nelson, 69, of 416 S. 17th St., well-known Escanaba and an active member of the Masonry, died suddenly at 10:25 a. m. today at St. Francis Hospital where he had been a patient since Sunday evening. Mr. Nelson had ushered Sunday morning at St. Stephen's Episcopal Church for Easter services.

Born June 3, 1886 at Maple Valley, Wis., Mr. Nelson had been a resident of Wells and Escanaba for the past 48 years. He had been employed as station agent of the Escanaba and Lake Superior Railroad at the Stephenson Avenue station. He was a member of St. Stephen's Episcopal Church of which he served as senior warden of the Vestry and president of St. Stephen's Men's club.

Mr. Nelson was a Past Master of Delta Lodge 195, F. and A. M., past guardian of Job's Daughters, member of Francis M. Moore Consistory, Past Patron of Order of Eastern Star, 32nd Degree Mason, Past High Priest, 118, Royal Arch Masons, Past Commander of Escanaba Knights Templar 47, District Hospitaler of the Grand Commandery, Knights Templar of Michigan, and Prelate of Commandery.

Surviving are his wife, Effie; one son, E. L. Nelson of Milwaukee; two daughters, Mrs. William (Evelyn) Frank of Grand Haven, Mich., and Mrs. Thomas (Harriet) Oliver of Hillsdale, Mich.; one brother, John of Suring, Wis.; three sisters, Mrs. John Crooks of Evanston, Ill., Mrs. Sam Andrewson of California and Mrs. Lula Johnson, Milwaukee, eight grandchildren and one great grandson.

Friends may begin calling at the Anderson Funeral Home Thursday afternoon.

Masonic burial services will be conducted Thursday at 8 p. m. at the funeral home.

Funeral services will be held Friday at 2 p. m. at the Anderson Funeral Home chapel with Rev. James G. Ward, rector, officiating.

Burial will be made in Gardens of Rest Cemetery.

## Delta Sportsmen To Meet Thursday

The April meeting of the Delta County Sportsmen's Club will be held at 7:30 Thursday evening at Club 314, 330 S. 14th street. The meeting has been designated "Bring a Sportsman Friend Night."

Among matters to come before the meeting are discussions of current legislation affecting hunting and fishing.

Reports are scheduled on preparations for the Michigan United Conservation Clubs convention here in mid June and on the associate membership campaign.

Two movies, one on fishing in the Upper Peninsula and the other dealing with angling in Idaho will be shown. Lunch will follow the close of the session.

## Change Announced In 314 Schedule

A change has been made in the schedule of Club 314, recreation director Arthur M. Petersen announced today.

Wednesday and Saturday evenings will be open only to teenagers of the ninth through the twelfth grade. Regular teen activities will take place on these two evenings of the week.

Saturday afternoon the Club will be open for basketball and regular activities.

## Airline Expands

JACKSON (AP)—Donald T. Metzger of Iron Mountain will be manager of the newly established North Central Airlines operation at Jackson's Reynolds Field. North Central will serve Jackson starting May 1, replacing American Airlines. Metzger will take over his post Friday.

## WHAT DID YOU SAY?

## Briefly Told

**Boatsmanship Classes**—Boatsmanship classes will be conducted this evening, beginning at 7 p. m., at the Escanaba Yacht Club.

**Figure Skaters Meet**—The Escanaba Figure Skating Club will hold a social meeting at Club 314 from 7 to 10 Sunday evening. Members and friends are invited.

**Hot Rod Club**—A meeting of the Escanaba Hot Rod Drag-n's club will be held Thursday evening at the club room, located at Washington Ave. This is a special meeting, and all members are urged to be present.

**R. A. M. Meeting**—A regular meeting of Delta Chapter 118, R.A.M., will be held Thursday, April 14, at 7:30 p. m. at the Masonic Temple. Degrees will be conferred, and lunch will be served following the meeting.

**Ballots Protected**—The Michigan State Police have reported that ballot boxes in Delta and Menominee Counties have been properly protected in the event of a recount of ballots in the spring election.

**To Chicago**—Mr. and Mrs. Allan Mathison left today for Chicago where they will audition school assembly service programs for the Escanaba Senior High School for the ensuing year. Mr. Mathison is director of student activities at the Senior High. They will return Sunday.

**Driver Jailed**—Orval Perry, 39, of Spaulding, pleaded guilty in justice court to driving while his operator's license was revoked. He was fined \$5 court costs by Justice Henry Ranguette and given a two day jail sentence as required by law. He was arrested Tuesday by Michigan State Police.

**Masonic Service**—All members of the Masons are requested to meet at the Masonic Temple Thursday at 7:15 p. m. to attend the Masonic services for Arthur E. Nelson at the Anderson Funeral Home. A regular meeting of Delta Chapter 118 will be held at 9 p. m. Thursday, and all special work will be postponed to a later date.

**Moves To Escanaba**—The promotion of Dale V. Gant to District Manager of the Equitable Life Assurance Society at Escanaba, effective April 1, has been announced by Agency Manager Wyman J. Hohn, of Saginaw. Gant joined Equitable April 4, 1953, and established a fine sales record. On Sept. 1, 1954, he was appointed a field assistant for the Traverse City area. As district manager, Mr. Gant will be in charge of the Upper Peninsula. Gant has moved his family to Escanaba.

**Refuse Matching Funds**  
"The federal government is now offering Delta County \$40,000 per year on a 50-50 matching basis, Delta County turns this much-needed money down," Karas reported, explaining that the money is rejected because of the unavailability of local matching funds. He added that increases in matching money are contemplated in the federal program now under consideration but the increased offer will be of no value toward the current problem because of the lack of matching funds.

"If \$40,000 were to be raised on the present per capita basis it would mean an expenditure of \$1.21 per person and give this county \$80,000 worth of improvements when matched by federal funds."

The problem was referred to the county roads and bridges committee with a request that the committee be ready to report to the supervisors before the June meeting of the county board. The mayors of Escanaba and Gladstone were added to the roads and bridges committee for the purpose of the study.

**MRS. ARTHEMISE TAYLOR**  
Funeral services for Mrs. Arthemise Taylor, early day resident of Schaffer, will be held at 9:30 a. m. Friday at Sacred Heart Church, Schaffer, with Father John Noel Arneth, celebrant of the Solemn Requiem High Mass. Burial will be in Schaffer Cemetery.

Friends may call at the Alto Funeral Home beginning at 2 p. m. Thursday. Daughters of Isabella will meet at the funeral home at 4 p. m. to recite the rosary and members of St. Anne's Altar Society will join in the general recitation at 8:30 p. m. Thursday.

## County Road Crisis Looms

A drastic reduction in services on local roads in Delta County by the Delta County Road Commission will be required in 1955, William J. Karas, superintendent and engineer, informed the Delta County Board of Supervisors yesterday.

In his report on the county road system, Karas explained that an overexpenditure of \$30,016 for local roads developed last year and that a similar sum must be transferred back to the primary road fund. The penalty for failure to do this, Karas explained, is to have one year's total income from the motor vehicle fund revoked by the state.

This means a reduction in services on local roads for 1955 of double the \$30,016 deficit or roughly \$60,000 in order to balance the primary and local roads accounts.

**Insufficient Funds**  
"State collected motor vehicle monies, returned for local roads, augmented by contributions from the individual townships, are far from sufficient to give any sort of adequate maintenance for local roads, let alone the improvement of these roads not to even mention the county bridges," Karas reported. "Delta County is just not financing its roads in any manner comparable to other counties of the same size and road net. Consequently it cannot expect comparable services on these roads from the Road Commission."

Karas reported that Delta County has 327 miles of primary roads and 514 miles of local roads, or a total of 841 miles. Of this road network 110 miles are surfaced with blacktop but 100 miles of the blacktopped roads were surfaced 18 years ago. The life of blacktop roads is figured at only 10 years, Karas reported. The remaining 731 miles are in gravel.

Gravel surfaces roads cannot be economically maintained on primary roads because of the high speed and soft wide-cushioned tired of modern automobiles, Karas declared.

The report disclosed that there are 42 bridges out of a total of 55 in the county that need replacement. This includes only crossings 20 feet or more in length and does not include any consideration for replacing the 840-foot old Wells bridge.

**Beaver Trapper Enters Guilty Plea**  
Harry Manier of Trenary, who was arrested April 1, the opening day of beaver trapping season on a charge of trapping before the season opens, yesterday pleaded guilty before Justice A. T. Sohlberg at Gladstone. He was fined \$10 and assessed court costs of \$7.80.

Manier previously pleaded not guilty in Sohlberg's court.

## Barbershoppers Hold Election Thursday

Election of officers in the Escanaba Chapter, S. P. E. B. S. Q. S. A., is scheduled to take place at a regular meeting Thursday night at the Eagles Hall.

Lunch will be served after the election and the weekly rehearsal session of the barbershopper chorus.

The singers are already making preparations for their 1955 song show, which this year will be held Oct. 15. Several outstanding quartets of barbershop fame have already been signed up for the annual harmony program.

## Briefly Told

**Parking Meter Removed**—Pranksters removed a parking meter and placed it in the back seat of a parked car about 11 p. m. Tuesday. It was reported to police by Miss Judy Beauchamp, Escanaba Rte. 1. The meter was undamaged.

**Fishermen Fined**—Isadore Truckey and his son, James, of Escanaba yesterday pleaded guilty in Justice Henry Ranguette's court to a charge of having a fish spear in possession along a trout stream, and were ordered to pay fines of \$10 and costs of \$9.35 each. They were apprehended Monday night by Assistant District Supervisor Owen Bennett and Conservation Officer Chester Van Wieren at Portage Creek.

**Motorists Ticketed**—Escanaba police have issued traffic violation tickets to the following motorists: Richard Savard, 1624 2nd Ave. S., defective muffler; Victor Anderson, 809 S. 12th St., expired operator's license; Francis J. Fisher, 408 S. 6th St., disobeying traffic signal; Harold W. Gasman, 615 S. 10th St., speeding; Mrs. F. Flynn, Harris, disobeying traffic signal; W. R. Lindstrom, 1408 6th Ave. S., disobeying stop sign; Mrs. Ethel Reynolds, 1408 Wisconsin Ave., Gladstone, disobeying traffic signal; John J. Peltier, 2318 1st Ave. S., disobeying stop sign.

## Beaver Trapper Enters Guilty Plea

Harry Manier of Trenary, who was arrested April 1, the opening day of beaver trapping season on a charge of trapping before the season opens, yesterday pleaded guilty before Justice A. T. Sohlberg at Gladstone. He was fined \$10 and assessed court costs of \$7.80.

Manier previously pleaded not guilty in Sohlberg's court.

## March Of Dimes Aids Development Of Polio Vaccine

(Continued From Page One)

He, like so many others, rose above his handicap, and inspired the March of Dimes. Now money was poured into the search for knowledge.

**Virus Tracked Down**  
Dr. John F. Enders and associates of Harvard learned how to grow and harvest polio virus from monkey kidney tissue. A large team of researchers learned that only three types of polio virus cause human paralysis.

Dr. Dorothy Horstmann of Yale and Dr. David Bodian of Johns Hopkins found that virus invades the blood stream before it hits the nerves. Dr. William McD. Hammon of the University of Pittsburgh showed that small amounts of antibodies if present in the blood could disarm the virus.

At Pittsburgh too, Dr. Salk six years ago began working for a polio vaccine. He built on what had gone before, contributed his own deductions, experiments, solutions, perseverance, to create a safe vaccine against all types of paralyzing virus.

**ONLY FOUR CASES**  
ANN ARBOR (AP)—Of 26,026 Michigan children given inoculations of the Salk polio vaccine last spring, only four contracted polio.

This was disclosed Tuesday by Dr. Thomas Francis Jr. of the University of Michigan in a report of its lengthy evaluation of the vaccine tests.

By contrast, 40 others of the 118,771 Michigan youngsters who participated in the overall tests of the vaccine came down with the disease. The total includes those who received only partial injections, placebo (dummy) shots or no shots at all, as well as those who were given the vaccine.

Three of the four polio victims who received the vaccine were paralytic cases. Two of these were in Kent County and the third in Calhoun County. The fourth victim, a non-paralytic case, was in Oakland County.

Names of children who took part in the tests were not disclosed.

More people get more news from newspapers than from all other sources combined.

## LOG CABINS

Homes, lodges, motels etc. made from northern White Cedar logs, easily and quickly erected, with doors and windows, wall assemblies, ready for paint or other finish inside and outside. Logs are light in weight, highly insulating, insect proof, frost free, and will last for a century. Write for our low prices, giving sizes and type of structure.

# Truman Looks Back 10 Years, Admits He Liked Veep Job Best

KANSAS CITY (AP)—Harry S. Truman said Tuesday on the 10th anniversary of his entrance into the White House that he "would have been happier if I could have served out the term as vice president."

It was 10 years ago tonight that he took the oath of office, just 2½ hours after being informed of the death of President Franklin D. Roosevelt.

It was in connection with the anniversary that he issued a brief typewritten statement to newsmen. After mentioning he would have been happier to have finished his term as vice president, he added he probably would have gone back to the Senate.

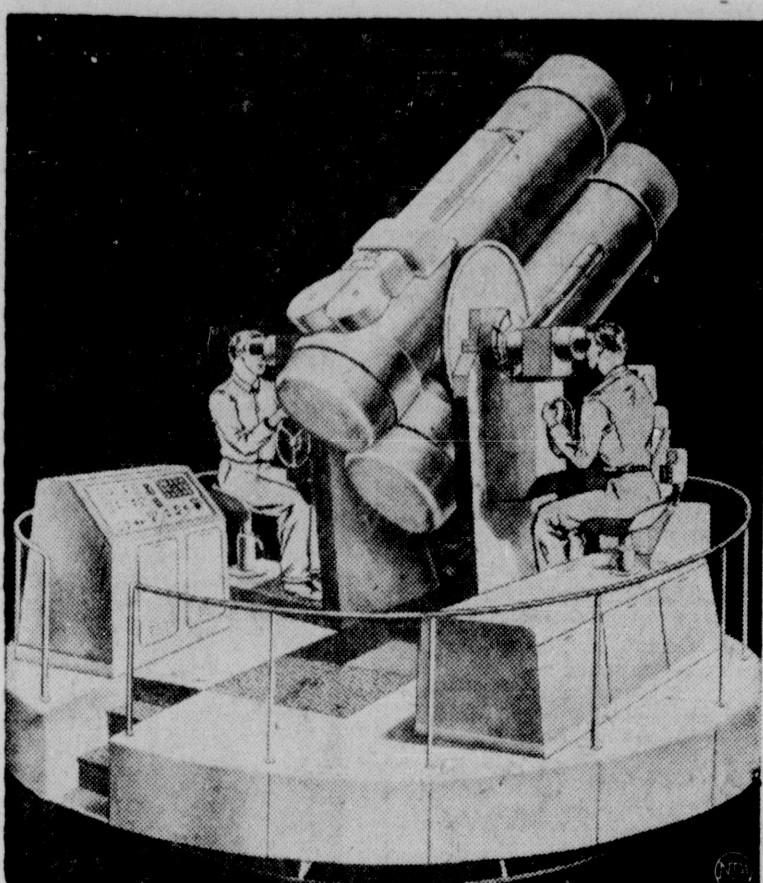

# Car Driving Simple, Boy, 8, Tells Police

NEW YORK (AP)—While an astonished policeman held the door, 8-year-old Frank Biondo slid from behind the steering wheel of his father's car and announced that driving was no problem at all.

"Why, it was simple," he said, calmly overlooking the fact that he had bumped two cars and passed six red lights during his drive through Brooklyn.

The boy told policeman Albert Leone he was just driving over to see his grandmother. He said had taken the car keys from his mother's coat pocket. He learned to drive by watching his parents, he said.

He was charged with juvenile delinquency and released in the custody of his mother for a hearing May 17.

**BULLETLESS CANNON** — Latest development in the missile program is a twin telescope and camera which looks like a howitzer. It is mounted on a movable turret which allows sighting the following the missile in its flight. It is called ROTI, recording optical tracking instrument. Top telescope can spot a golf ball eight miles away under relatively poor light conditions. (Exclusive NEA Photo)

# Fruit Picker, 113, Plans For Future

AUBURNDALE, Fla. (AP)—Charlie Smith, fruit picker who may be 113 years old, is beginning to make plans for his future.

Smith, a Negro, took out a social security card recently and started working toward a pension. He was

told he could apply for benefits after working 18 months under social security.

The African-born Smith says he is 108 years old but Mrs. Hicksia Willis, Auburndale city clerk, has in her files an affidavit that would make him 113.

He was brought to this country in a slave ship as a boy.

# Schaffer

**SCHAFER** — JoAnn LaFleur and Judith Schermer, student nurses in Milwaukee, spent the Easter weekend vacation with their parents.

Germaine Lippens, Helen Jean Frossard and Harold and Dickie Taylor of Chicago were home for the Easter weekend.

Mr. and Mrs. Eli Taylor accompanied Mr. and Mrs. Lucien Poisson to Iron Mountain Sunday to visit the Ed Gabrielsons.

Mr. and Mrs. Antone Servia and Antoine Seymour of Iron

Mountain spent Sunday at the Henry Seymour home.

Rene Charbonneau Jr., who is attending Michigan College of Mining and Technology at Houghton, was at the home of his parents, Mr. and Mrs. Rene Charbonneau Sr. for Easter vacation.

Donna Racicot returned to Milwaukee where she is employed after an Easter weekend at the home of her parents, Mr. and Mrs. Louis Racicot.

The Tom Bisson family of Escanaba spent Easter Sunday at the Ed Taylor home.

Easter dinner guests at the

Louis Sabourin home were Mrs. Peter Sabourin and the Rene Sabourins of Escanaba.

# Club Meeting

Mrs. Ed Meyers entertained her club Monday evening at her home. Prizes were won by Mrs. Eli Taylor, Mrs. Ed Taylor and Mrs. Tom LaFleur. Mrs. Joe LaFleur received the traveling box.

# Albion Wins Again

LANSING (AP)—An Albion unit of the Michigan National Guard—Battery C of the 943rd Field Artillery Battalion — has been

**DAILY PRESS**  
Escanaba, April 13, 1955 7

chosen the best company sized unit in the state in an unprecedented repeat performance. Brig. Gen. George C. Moran, adjutant general, said the Albion unit was being awarded the Eisenhower Trophy for 1954, the first time in the seven-year history of the award that the same unit has won it twice. It also won in 1952.

# Rackham Building Madhouse As Polio Report Is Issued

ANN ARBOR (AP)—A tense, emotional scene in the news room greeted announcement of the Salk polio vaccine success Tuesday.

It was a madhouse as newspapers and radio and television announcers reached for their

## Program Held At Rock Town Hall

ROCK—The Family Bible Hour Easter program at the Rock Town Hall Sunday evening was as follows:

Opening Hymn "He Lives" by the Congregation.

Prayer.

How Glad I Am, recitation by Marilyn Small.

Resurrection Gladness, recitation by Ilona Hill.

Easter Anthem by the Young Peoples Chorus.

God Must Have Loved, recitation by Roselyn Hill.

A Letter from Home, recitation by Robert Salmi, Ted Weldum and Ronnie Weldum.

Christ Arose, accordion and piano duet by Ted and Ronnie Weldum.

A Child Can Understand, recitation by Betty Halmoeja and Leslie Hill.

Whisper a Prayer, son by Nancy Weldum.

Easter Wishes, recitation by Allen Salmi and Karen Halmoeja.

I Come to the Garden, duet by Mr. and Mrs. John Small.

An Invitation, recitation by Robert Salmi.

An Easter Message was presented by John Small.

Closing Prayer.

The attendance was very good for the Easter program. Parents attending received potted plants to take home. Services were in charge of John Small.

copies of Dr. Thomas Francis Jr.'s historic report.

There were more than 200 persons jammed into the rectangular news room of the plush Rackham building on the University of Michigan campus.

Photographers and motion picture men stood on chairs, tables—anything—to get their shots.

Several men, accompanied by guards, started to bring the reports into the room in corrugated boxes. They never made it. The big crowd jammed against the doorways and started pulling copies of the reports from the smiling men.

Then everybody bumped into each other in a hectic race for telephones, teletypes and other means of communication.

Before pandemonium broke loose, newsmen stood around and talked quietly, nervously sipping coffee from paper cups.

The big question was: "What time is it now?"

The seconds seemed to tick by with heavy slowness that only added to the tenseness.

When the men carrying the reports tried to enter the room, calls of "It's here, there they are" fill the smoke-saturated room.

It was a strange sight to see hardened newsmen scrambling for the white sheets of paper.

It was a sight not soon to be forgotten.

## Engineer Elected Marquette's Mayor

MARQUETTE—Harold W. Alhelm was elected mayor for the coming year by the City Commission at its annual organization meeting Monday. He is a project engineer for the MacDonald Construction Co. and was elected to the commission a year ago.

Commissioner Lynn H. Halverson was chosen mayor pro-tem.

**NO TAIL AT ALL**—John Arbut, of Allegan, Mich., shows his three-week-old Guernsey heifer calf, born on his farm just north of Allegan without a tail. Cow will have to be sold as a vealer because it can't protect itself from flies. (AP Photo)

FAYETTEVILLE, Ark. (AP)—An assisting physician successfully completed a Cesarean section after Dr. Richard W. Miller, 48, the attending surgeon, died of a heart

attack in the operating room. Mother and child are "doing fine."

## Perkins

PERKINS—Mrs. Gordon Lachance of Powers visited over the weekend with her husband and her parents, Mr. and Mrs. Victor Johnson.

Mr. and Mrs. Gus Kline Jr. and two daughters visited in Iron Mountain Sunday with Mrs. Kline's parents, Mr. and Mrs. Valerio Calvino.

Mr. and Mrs. Walter Trudell and family of Chicago visited Saturday at the William Trudell and Victor Johnson homes.

Visitors Easter Sunday at the home of Mrs. Clifford LeClaire were Mr. and Mrs. Tony Cass and son Steve of Escanaba, Mr. and Mrs. E. P. LeClaire and Robert LeClaire of Bay View, Mr. and Mrs. Fred LeClaire and Mrs. Gene Holm of Gladstone and Mr. and Mrs. Dona LeClaire of Rock.

Easter weekend guests at the home of Mr. and Mrs. William DeKeyser Sr. included Mr. and Mrs. Paul Alex and family of Sheboygan, Wis., Mr. and Mrs. Joe Bergner and family and Carol Ann and Gary Gordon of Green Bay and Mr. and Mrs. George Goymerac and family, Escanaba.

Mr. and Mrs. Don DeKeyser and family of Powers visited at the William DeKeyser Sr. home.

Visitors at the home of Louis Demeuse Sr. were Mr. and Mrs. William Kimber of Green Bay and Mr. and Mrs. Louis Demeuse of Oconto Falls.

Miss Alice Jodocy, teacher in Flint High School, is spending the Easter holidays with her parents, Mr. and Mrs. Peter Jodocy

in St. Nicholas. Another visitor over the weekend was their son, Rev. Mr. Matthys Jodocy, a major student at St. John Provincial Seminary in Plymouth.

Mr. and Mrs. Gilbert Sharkey and family of Grand Rapids spent the weekend at the home of Mr. and Mrs. William Sharkey and with other relatives in Brampton.

Mr. and Mrs. Richard Depuydt and daughter of St. Ignace spent the weekend at the home of Mr. and Mrs. G. J. Depuydt.

Mr. and Mrs. C. A. Pillotte of Escanaba and Mr. and Mrs. Melvin Behrend and family of Powers visited Sunday at the Leo Miljour home.

The Arnold Trudell family and Eugene Trudell of Crystal Falls were weekend visitors at the William Trudell home.

## CARE FOR FLOORS THE MODERN WAY

Here's good news for every woman who wants to keep her kitchen floor shiny and clean. Glaxo, a new floor care, has been developed especially to help her get the maximum wear and beauty from her colorful linoleum or asphalt tile flooring.

Glaxo forms a clear, hard coat that seals out dirt, eliminates scrubbing and wears like iron. Applied twice a year or so, it gives a high-luster, non-slip finish that beats waxing in every way.

## FAIR STORE

COMIC BOOK CRIME STAMFORD, Conn. (AP)—The same week that the Connecticut General Assembly ordered an in-

quiry into the effect of comic books on juvenile delinquency, three boys broke into a store and stole 23 comic books.

# SWELLING AND INTENSE PAIN IN ARMS AND LEGS MADE LIFE MISERABLE

"Read my true testimonial," says Mr. William Roe, 617 S. Rosemary Street, Lansing, "and judge for yourself why O-JIB-WA BITTERS is best for rheumatism, arthritis and stomach trouble."

"I've had lumbago off and on for quite some time, but nothing ever struck me down like an attack of rheumatism and arthritis did about five years ago. My legs, feet and ankles were swollen so big that I couldn't lace up my shoes; in fact, having them on at all was hard to bear. My arms were stiff and ached terribly all the time. I couldn't raise them up to my neck or put them behind my back to fasten my suspenders. Then it got worse—if you can imagine that I was forced to bed for about three weeks, while cramps in my legs kept me awake and I was just miserable. On top of all this, my stomach was acting up. I love greasy food and was unable to eat any with out gas, cramps and indigestion upsetting me. Then, about two years ago, I saw an ad in the newspaper praising O-JIB-WA BITTERS for helping someone

who was in about the same shape I was. My daughter bought me a bottle and I began taking it. In about a month, the swelling started to go down, and the pains and stiffness began to leave my arms and legs. Soon, I was up and around doing things again that I wouldn't have believed possible just a few months before. Since that time, I haven't been bothered with an ache or pain, and O-JIB-WA BITTERS straightened out my stomach too. I can eat anything now without worrying about stomach upset, and even bacon grease on bread doesn't bother me. Believe me, after my experience, I wouldn't be without O-JIB-WA BITTERS. I even take it with me when traveling. Many people have asked me how I manage to get around so well after the bad shape I was in, and I'm glad to tell them how O-JIB-WA BITTERS put me back on my feet. I have recommended it to many others, and they are pleased with it too. It is my hope that this statement reaches someone who needs help, and will give O-JIB-WA BITTERS a fair trial like I did."

## TV Prospects In Ishpeming Studied By 3 U. P. Firms

ISHPEMING — Three Upper Peninsula broadcasting companies are investigating the possibility of establishing a television station in the Ishpeming area to provide network and direct programming for the north central region.

Preliminary engineering studies indicate that Marquette and Alger Counties and parts of Baraga, Dickinson, Iron and Delta Counties will be served.

It has not yet been determined whether the station will be an ultra-high frequency or a very high frequency installation. Decision on UHF or VHF will be determined by the best channel available.

Participating companies will be the Lake Superior Broadcasting Company of Marquette, operator of WDMJ, The Mining Journal station; North Central Broadcasting Company, which is planning to build a radio station in Munising in the near future, and the Iron-Mountain-Kingsford Broadcasting Company, operator of station WMIQ.

## Danforth

DANFORTH — Mr. and Mrs. Llewellyn Larson and daughter Carol have gone to Chicago to visit Lt. and Mrs. Charles Cooper. Mrs. Cooper is the former Gloria Larson. They also will visit Mr. and Mrs. Ray Person and family, former residents of Soo Hill and on their return trip will spend some time with Mr. and Mrs. Arliss Prevost and family at Racine.

### Bible Study

The Rev. Paul Horst, pastor of the Mennonite Chapel at Soo Hill, announces that Bible study will be held Wednesday evening of this week and every Wednesday evening until further announcement. The study was held Thursday evenings during the Lenten season. The public is invited.

## Rock

### BOWLING TOURNEY

ROCK — The following Rock women bowling teams will participate in the U. P. bowling tournament at Sault Ste. Marie this weekend: Herb's Bar, Algeria Westlund, Nellie Salmi, Anna Fosterling, Verna Larson and Josie Carlson; Larson Bros., Evelyn Kivela, Ida Salmi, Doris Johnson, Jane Salo and Florence Sayen; Bob's Appliance, Evelyn Viitala, Eleanor Weingartner, Peggy Norden, Lillian Roberts and Grace Maki; Pfeifers, Shirley Westlund, Vi Trombly, Tooty Carlson, Ada LeClaire and Nancy Martonen. Edith Weingartner and Edith Klei-

ber will bowl singles and doubles only.

The American Legion team from Rock who participated in the American Legion tournament at L'Anse were George Weingartner, Robert Weingartner, Leslie Larson, Leslie Maki and Clifford Carlson. Eino Kivela accompanied the group to bowl in the singles and doubles events.

### CLASSIFIED THEFT

NORFOLK, Va. (AP) — Safe-crackers, working strictly within their classification, stole a safe from a Broad Street service station and borrowed a station truck to haul it away. They returned the truck after looting the safe of \$20 and leaving it on the city dump.

## Nahma

### Briefs

NAHMA — Mr. and Mrs. Francis Douville and daughter, Ann, of Houghton spent the Easter weekend with Mrs. John Schwartz Sr.

Mr. and Mrs. Peter Newhouse and Beatrice spent Easter at their Gladstone home.

BEST BUY NEW; BETTER TRADE-IN, TOO!

Actual photo of the Plymouth Belvedere 4-door Suburban

# LONGEST, ROOMIEST

Plymouth Suburbans—biggest in the low-price 3!

Plymouth's six new Suburbans are here — and they're the longest, roomiest cars of their type ever offered in the lowest-price field! Each offers you the most cargo space

however you measure, plus a tail gate that folds flat to extend carrying capacity. And each is strikingly beautiful.

Compare the figures below — consider

Plymouth's other bonuses in styling, power, economy and safety — then come in and drive one of these big, versatile beauties. Do it today.

# PLYMOUTH

Why pay up to \$500 more for a car smaller than Plymouth?

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find that, model for model, Plymouth sells for much, much less than medium-price cars, and gives you more car for your money!

## W. S. C. S. District Meeting April 28 At Sault Ste. Marie

The Woman's Society of Christian Service of the Methodist Church, Marquette District, will hold its 14th annual meeting at Central Methodist Church in Sault Ste. Marie April 28. The morning session will be opened at 10 EST by Mrs. Keith Bundy of Manistique, district president. Mrs. Donald Finlayson is president of the hostess society.

The speaker of the morning session will be Mrs. E. H. Stahly of Saginaw, president of the Detroit Conference. Mrs. Stahly also will give the address at the World Friendship banquet in the evening.

**Missionary Will Speak**  
Miss Bertha Starkey, retired missionary who served many years in Japan and Korea, will speak at the afternoon session on "Jesus Christ, the Way, in Japan." She will speak briefly to the young on Christian service in the evening.

Miss Starkey, a native of Tiffin, Ohio, taught at Kwassui Woman's College in Nagasaki and did city and evangelistic work in Fukuoka and among the Japanese people in Korea. While working in Korea, the Japanese people gave her a home in Seoul as a 25th anniversary gift. The years 1942-46 were spent in service to the Japanese people in California and, a relocation center in Arizona. In 1946, she sailed again for Japan, serving as principal of Fukuoka Girls' School and doing evangelistic work in connection with Fukuoka Central Church until 1952, when she returned to the United States. She now makes her home with her brother at Cooley Farm, Warrensville, Ohio.

**Board Meeting**  
Installation of officers will be conducted by the Conference president.

Reservations for luncheon, the banquet and overnight accommodations are in charge of Mrs. Earl Bye, 311 Sova St., Sault Ste. Marie, and are to be made by April 24.

The district officers will meet April 29 at 7 p. m.

## Forensics Program At Club Meeting Tuesday Evening

An entertaining program was presented by Escanaba Senior and Junior High School forensics students at last evening's meeting of the Escanaba Business and Professional Woman's Club held at the Sherman Hotel.

Sandy Williams presented "The Snow Goose" and Sharon Greis, "Sissy, Wrong Number." Both are students of John Romstad. "My First Date" was given by Sandra Sundstrom, Junior High School pupil of Charles Koskela.

The girls were introduced by Miss Alice Potter who was assisting chairman of the meeting. Miss Josephine Ryan was chairman of the evening.

You can use leftover liquids drained from cooked, canned or frozen fruits in gelatin dishes.

## Lovely And Feminine

A particularly charming frock for the more mature figure because it's simple, feminine and so flattering. Add lace at neckline. Pattern No. 8178 is in sizes 34, 36, 38, 40, 42, 44, 46, 48. Size 36, short sleeve, 4 1/2 yards of 35-inch; 1/4 yard lace.

For this pattern, send 35 cents in COINS, your name, address, size desired, and the PATTERN NUMBER to Sue Burnett, Escanaba Daily Press, 372 W. Quincy Street, Chicago 6, Ill.

The latest issue of our pattern magazine contains dozens more smart, easy to sew styles for all ages. Send 25 cents today for your copy of the spring and summer '55 issue.

# Women's Activities

## Lingerie Picture: Bride's Choice

Bridal lingerie this year comes dress length or full length, is lavished with lace or simply tailored, is print or plain, looks fragile and is actually incredibly sturdy and easy to maintain. Lace-lavished bridal set (left) in sheer nylon tricot has gown with lace-bordered camisole top. The skirt is split up the front to show off deep rows of lace ruffles on the underskirt. Same

By GAILE DUGAS  
NEA Women's Editor

NEW YORK—(NEA)—Notions about bridal lingerie have changed a good deal in the last few years. There was a time when the bride chose her lingerie in white or possibly very pale blue or pink.

But in this year of 1955, she may pick stripes, a print or a floral spray. She may have any

color she likes and as for style, she's no longer confined to fluffy ruffles. If her type is tweed suits and simple dresses, she can find pretty lingerie that follows out the uncluttered lines of her entire wardrobe.

As for length, she may have dress length or waltz length or floor length. Most brides are showing a preference for the

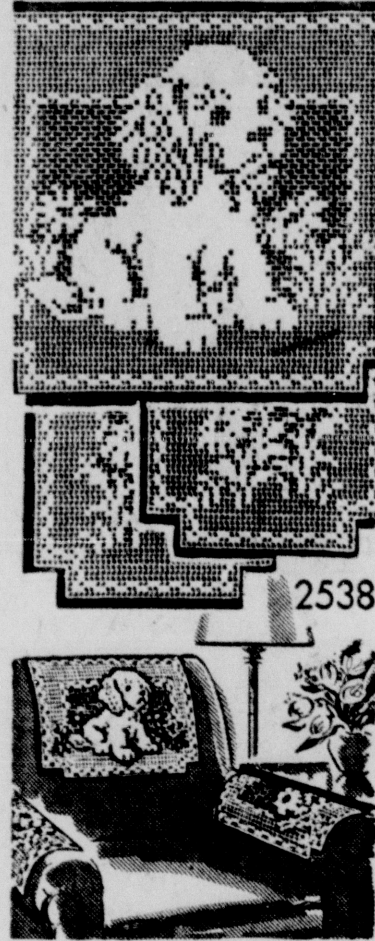

dress length or waltz length ensemble and there are more of them being shown this year than there were last.

However filmy, fragile - seeming and delicate her bridal lingerie may be, the bride can make a fair - sized investment in it without a qualm of conscience. For she knows that actually, nylon, orlon and the other miracle

fabrics make it possible to have both luxury and practicality and that her lingerie will last for years or until she decides on something new.

Nylon satin, nylon tricot, nylon sheer, dacron, orlon and combinations of dacron-and-cotton are all used for this year's bridal lingerie. Even lace trim is nylon for added touch of pretty practicality.

## Puppy On The Chair!

An adorable puppy surrounded by pretty daisies is crocheted in an fascinating fillet set to protect your favorite chair.

Pattern No. 2538 contains crocheted directions; material requirements; stitch illustrations; fillet diagram.

Send 25 cents in COINS, your name, address and the PATTERN NUMBER to ANNE Cabot, Escanaba Daily Press, 372 W. Quincy St., Chicago 6, Illinois.

Now available—the 1955 Needlework ALBUM printed in attractive colors. It contains 56 pages of lovely designs—plus 3 gift patterns, directions printed in book. Only 25 cents a copy!

## Spring-Into-Summer Sweaters Take On Dressy Appearance

Spring-into-summer cashmere by Hadley has open work insert tracing shaped scoop neck. Insert is self-cashmere braid worked into wavy pattern.—By Gaile Dugas, NEA Women's Editor.

## Church Events

**Covenant Service**  
A midweek service will be held at the Ev. Covenant Church Thursday at 7:45 p. m.

**Immanuel Meetings**  
Immanuel meetings Thursday

are confirmand classes at 4, Junior Choir at 5 and Church Choir at 7:15 p. m.

**Bethany Meetings**  
Bethany meetings Thursday include the 7th and 8th grade week day school at 4:05 p. m. and the Senior Choir rehearsal at 7:15 p. m.

## Your Baby

If you're having trouble enticing Baby to drink from the cup, try again with a different cup. Well then, try another. Some babies are persnickily about what cup they drink from. One we know likes only an adult's 12-oz. glass.

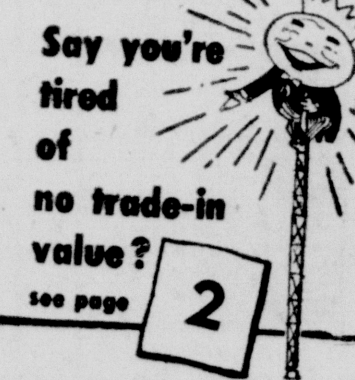

For a fine nursery screen for Baby's privacy, fit hinged frames with window curtain rods top and bottom, add a nylon curtain to each section. They wash like a dream. If white's too hospitably, try curtains in pastel colors.

If you have your choice, pick fitted sheets for Baby's crib. They are perfect. For Baby loves to uproot everything in his bed if he can get a start. There's no chance this way.

## Scout Leaders Club Meeting Thursday

The Escanaba Girl Scout Leaders' Club will hold its monthly meeting in the multi-purpose room of the John A. Lemmer School Thursday, April 14, at 7:30 p.m. All leaders and assistant leaders in Delta County have been invited to attend. Camp promotion and planning will be discussed. A program will be given and lunch will be served.

Be sure to clean and cook those giblets shortly after you buy your turkey. Season the water the giblets are cooked in with salt, peppercorns, bay leaf, a whole clove or two and a little carrot, onion and celery leaves. The giblets may be chopped fine and used in egg salad sandwiches if desired; the broth should be strained and used in gravy or sauce, or in a hearty soup.

## CITY RESIDENTIAL LOTS FOR SALE

The City of Escanaba proposes to sell to the highest bidders nine (9) lots located on South 13th St. and on South 14th St. between 13th Ave. S. and 15th Ave. S. Said lots are a part of Blocks Three and Six of Bittner's Addition to the City of Escanaba, Michigan, and are in an area zoned as a "Residential A" district.

The lots to be sold have a minimum price of Ten (\$10) Dollars per front foot. All of the lots have the improvements of the sewer and water mains.

The nine (9) lots to be sold are:  
Two (2) 56 ft. lots on S. 14th St.  
Three (3) 75 ft. lots on S. 14th St.  
Four (4) 70 ft. lots on S. 13th St.  
(All lots are 140 ft. in depth)

A map of the area is on file in the office of the City Clerk where further information may be obtained.

Bids must be accompanied by a certified check or money order payable to the City of Escanaba in an amount of ten (10%) per cent of the bid to show the good faith of the bidder.

Sealed bids will be received by the City Clerk in his office in the City Hall, Escanaba, Michigan until 8:00 P. M. (E.S.T.) Thursday, April 21, 1955, at which time said bids will be publicly opened and read aloud by the City Council in regular meeting in the council chambers.

Envelope containing bid shall be plainly marked: "Bid For The Purchase of Residential Lot." In case of identical bids, the bid bearing the earliest postmark will be the successful one.

Purchase price shall be paid in full upon presentation of a deed to the property.

The City of Escanaba reserves the right to waive any formality in the bidding, to reject any or all bids, and to accept the bid which it deems most favorable to the best interests of the City of Escanaba.

Dated: April 8th, 1955

George M. Harvey  
City Clerk

## Social-Club

## Public Meeting Planned On New Township School

The Manistique Township PTA is sponsoring a public meeting at 8 p.m., Wednesday, April 20 in Manistique township hall for discussion of a proposal to issue bonds for construction of a new school. All voters in the school district have been asked to attend.

Members of the Board of Education, the board's attorney, W. J. Sheahan, of Manistique, its architect, G. Arntzen, of Escanaba, and a school sanitarian will be present to answer questions and conduct a panel discussion.

The board of education has acquired a 9-acre site on the River road, a fourth mile north of the cemetery, for the proposed new

school, and anticipates that by the end of the school year it will have a reserve fund of \$38,000 for its construction. A survey has been made of the township's valuation and millage, and preliminary architectural plans have been approved by the state.

Plans for the 4-room school will be shown at the meeting, as well as slides and pictures. The proposed school will cost about \$90,000, and would require a bond issue of about \$52,000 for its construction.

Lunch will be served after the meeting.

## Drama Students Will Present Play In U. P. Festival

Eight Manistique High School students will present a one-act play, "Seeds of Suspicion" at an Upper Peninsula drama festival in Marquette Saturday.

In the cast, under direction of Marvin Frederickson, will be Robert Corson, Ed Busch, Jon Schuster, Bill Holm, Mary Ella Giovannini, Donna Larson, Sherry McNally and Janet Pollock. All are members of the school's Thespian Troupe 636.

Other drama students of Manistique High School will accompany them, with Miss Marlene Bentjen, Miss Ann Tufte, and Mrs. William Corson in charge.

## Briefly Told

**PTA Meeting** — An open house at 7 p.m., and style show at 8 p.m., is planned for the meeting tonight of the Junior-Senior High School PTA in Central School. Each of the grades and classes will exhibit work accomplished during the preceding months. Mrs. William Grant is program chairman.

**Combined Meeting** — A combined meeting of the Manistique Athletic club and Softball association will be held at Matthews accounting office Thursday at 8 p.m. Important business will be discussed and plans for the coming softball season will be drawn up. All managers and interested persons are asked to attend.

**Community Club** — The Thompson Community Club will meet at 8 p.m., Thursday at the Thompson school. A film "The Warning Shadow" will be shown by Mrs. Frank Arrowood. She will also give a report on activities of the Cancer Society. A business meeting will be held after the film. The public is invited.

**LIONS CANDIDATE** — Miss Elaine Parrish, a senior at Cooks High School, has been selected by the Cooks Lions Club as its candidate for the Smelt Queen contest at the Lions sponsored Smelt Jamboree at Garden April 24. Elaine is the daughter of Mrs. Anna Parrish of Cooks.

## St. Ignace Youth Put On Probation For Taking Car

Daniel L. Peaine, 24, of St. Ignace, who Monday entered a plea of guilty in Circuit Court to a charge of using a motor vehicle without permission, was placed on two years probation Tuesday afternoon by Judge Richard W. Nebel.

Peaine was arrested by Manistique State Police Feb. 13 and had been held in the county jail since his arrest. He was released Tuesday.

The St. Ignace youth also has been ordered to pay court costs of \$163.50 within three months.

## Social

**Harvester's Party** — The regular monthly meeting and social of the Harvesters will be held Monday, April 18, at 8 p.m., at the Legion club rooms.

There will be an evening of games and fun followed by refreshments. All interested retired men and women are invited to attend.

**Birthday Party** — Margo and Michael LeBrasseur celebrated their seventh birthday Saturday with a noon luncheon at the home of their parents, Mr. and Mrs. Earl LeBrasseur, 318 Range St.

Games were played and the group attended a matinee. Those attending were Molly Sellman, Margo Nygard, Tina Gorsche, Mabel Ann Berger, Danny and Barbara Thorell, Frankie Kelly, Danny Doyle, Charlie Richey, Peter Chauvin, The Misses Michele and Paulette LeBrasseur and Judy Gorsche assisted with the arrangements.

Recent visitors of Mr. and Mrs. Claude Wendland, Range St., were Mrs. Margaret Jones, of Sault Ste. Marie, Mrs. Margaret Collins, of Escanaba, and Mr. and Mrs. James Bohlen, of Saginaw.

Mr. and Mrs. Walter T. Nelson and family have left for Milwaukee where they will attend the wedding Saturday of Mrs. Nelson's niece, Ruth Ann, will be a flower girl for the ceremony.

**Milwaukee Parents Lose 4 Children To Polio; Welcome Cure**

MILWAUKEE (AP) — Mr. and Mrs. Leo Linnemanns, of Milwaukee, who lost four of their eight children to polio during an eight day period in 1952, heard the results of the Salk polio vaccine test announced and said, "If only..."

The couple was overjoyed by the Salk vaccine's triumph because two of their remaining children are young enough to be susceptible to polio. Linnemanns said he plans to take the children to a doctor for vaccination as soon as supplies are available here.

The couple's four children, three girls and a boy, ranged in age from 4 to 16. They all died of bulbar type polio.

No fisherman leaves a stone unturned when he goes out looking for bait.

**TO EACH HIS OWN** — Koringa, an animal trainer with a circus in Paris, takes time out to wrestle an alligator. She's quick to remind us that the ugly 'gator is not recommended to the average person as a playmate.

## School Will Engage Eight New Teachers

Contracts to replace four Manistique public school teachers have been signed and negotiations are in process to replace four others who will be leaving after this year, Supt. A. F. Hall reported Tuesday night at a regular meeting of the Manistique Board of Education.

Henry D. Saastamoinen, who is studying at Northern Michigan College of Education in Marquette, has been engaged to replace Douglas Elder, Spanish teacher, who will leave to study for a doctor's degree, Supt. Hall said, and Saastamoinen's sister, Rachel Ballinger, also of NMCE in Marquette, will replace Miss Gail Robinson, for English 10.

Two Manistique women have been given contracts to fill the positions held by Mrs. Jerome Hoholik, who is resigning to take other employment, and Miss Effie Carrington, who is retiring. Mrs. Charles Atwater will replace Mrs. Victor Haas, Miss Carrington for the Central second grade. Both are degree teachers, the superintendent reported.

Those for whom replacements have not been completed are Miriam Orhanen, Ann Tufte, Miss Dorothy Carlson and Mrs. Neil Reese.

The board Tuesday night asked that the newly-organized River-side PTA appoint a committee to confer on purchase of lunch room equipment; and appointed E. R. Monroe census enumerator for the east side during the ensuing year. During its meeting the board heard a report from Supt. Hall that Samuel Molod, of Escanaba, was the new chairman of the board met at 2 p.m., today.

## Supervisors Will Name Chairman At Meeting Thursday

The Schoolcraft county board of supervisors meets at 10 a.m., Thursday for organization and equalization.

Naming of a new chairman and vice chairman are slated as well as appointments to 14 committees. Vernon C. Linderoth has been chairman for the past year and Wells Bowers, vice chairman. The auditing committee of the board met at 2 p.m., today.

## Postpone Blood Donor Clinic Until May 14

A blood donor clinic slated here April 16 by Schoolcraft Memorial hospital has been postponed until May 14 due to a change in laboratory personnel at the North Eastern Michigan blood bank in Bay City.

The clinic will be held from noon until 7 p.m., on May 14 at the hospital. It will receive 50 pints of blood, replaced by donors for recent patients at the hospital here. Schoolcraft Memorial hospital became affiliated with the blood bank Feb. 1 this year.

The non-profit blood bank provides a fresh supply of blood for patients at the hospital here. No charge is made for the blood, if it is replaced. Any relative or friend of a patient may replace the blood.

Donors must weigh 135 pounds or more, be between the ages of 21 and 60, must not have had a major operation within the past 12 months, must not have had any diseases such as hepatitis, jaundice or venereal diseases and must not have any boils, skin irritations or allergies.

## Judgment Awarded In Circuit Court

A judgment of \$275 in favor of the Ohio Casualty company and Norman Parsons against Shirley Lehto of Newberry was awarded by Judge Richard W. Nebel in Circuit Court here Tuesday. The Lehto county case arose from an automobile accident.

The April term of court, which is without jury, began here at 10 a.m., Monday and is scheduled to end today.

A petition from the auditor general on sale of lands for 1952 taxes is among cases on the calendar.

## Walter Scott Dies Suddenly

Walter I. Scott, 74, died suddenly Tuesday noon at Cloverland Lodge, where he and his wife have been making their home during the winter.

Scott was born Oct. 10, 1880 in Keeler, Mich. His marriage to Mrs. Scott, the former Carol Beaver, took place in Bangor, Mich., Nov. 29, 1899.

The couple moved to Mueller township May 1, 1909, and operated a farm on old US-2 in the Blaney district for many years. Scott served as a township clerk and also was a member of the Mueller Board of Education. He is survived by his wife.

Services will be held at 2 p.m., Thursday at Kefauver and Jackson funeral home with the Rev. Al-an S. Miller, pastor of the Presbyterian Church of the Redeemer officiating. Burial will take place Friday in Arlington Hill cemetery at Bangor. Friends may call at the funeral home after 7:30 p.m., today.

## New Names In The News

Births at Schoolcraft Memorial Hospital Friday through Tuesday morning were as follows:

A daughter, Deborah Ann, on Friday to Mr. and Mrs. Myron Johnston, Garden Ave. Deborah weighed 8 pounds, 7 1/2 ounces.

A daughter was born Saturday to Mr. and Mrs. Joseph Jackson, 133 S. 2nd St. She weighed 6 pounds, 6 1/2 ounces and has been named Mary Patricia.

Born to Mr. and Mrs. Einar Strom, of Engadine, a son, John Einar, weighing 7 pounds, 11 ounces, on Saturday.

A daughter on Tuesday to Mr. and Mrs. Kenneth Lequia, 507 S. 17th St., Escanaba. She weighed 5 pounds, 15 ounces.

A son was born on Tuesday to Mr. and Mrs. Raymond Sheppard, of Curtis.

## Isabella

### Eleventh Birthday

ISABELLA — Esther Nelson, daughter of Mr. and Mrs. Helmer Nelson, celebrated her 11th birthday with a party Saturday evening at her home.

Centering the refreshment table was a pink and white birthday cake decorated with an Easter bunny motif. Esther received many nice gifts.

Guests attending were Ted and Ingrid Sundin, Wendell, Elsie, Marion, Pat and Gloria Sunding, Alex and Isabelle Murray, Signe Lundgren, Elmer Lake and Ida, Art and Teddy Nelson.

### Briefs

Miss Aline McClinchy and niece, Miss Jean McClinchy, returned Sunday from a trip to Milwaukee.

Mrs. Barney Turan left for Anderson, Ind., Sunday to join her husband, who is employed there.

Mr. and Mrs. Bertil Erickson, Mrs. Esther Wickstrom and Mrs. Anna Larson of Bark River were Sunday guests of Mr. and Mrs. Gust Soderberg.

Mr. and Mrs. Harvey Sundin and Mrs. Julia Sundin visited Sunday with Mrs. Ruth Holmquist at Escanaba.

Mr. and Mrs. Albert Moberg of

Chicago are spending part of their honeymoon at the home of Mr. Moberg's parents, Mr. and Mrs. Gust Moberg.

Mr. and Mrs. Gordon Segerstrom and children of Ontonagon spent the Easter weekend at the home of Mr. and Mrs. Gordon Segerstrom Sr.

Holiday guests of Mr. and Mrs. Caleb Johnson were Dr. and Mrs. Melvin Lund and son, David, of Owosso.

Mr. and Mrs. Harry Erickson of Rogers City, Mich., spent the weekend here.

Mr. and Mrs. Francis Gouin and daughter have left for Kalamazoo where Mr. Gouin will be employed during the summer months.

Weekend guests of Mr. and Mrs. Gust Soderberg were Mr. and Mrs. Clarence Dupuis and daughters, Jackie and Jill, of Lake Linden and Mr. and Mrs. Robert McLeod and son, Vaughn, of Gladstone.

Mrs. Jonas Sjogren is a medical patient at Scholcraft Memorial Hospital, Manistowick.

Robert and Earl Cayenberg have left for Green Bay where they will be employed during the summer.

### LAW ABIDING!

HOUSTON, Tex. (AP)—Classified ad in the Male Help wanted column of a recent Houston Post: "Chief stenographer for Dallas law firm age 30-35. Must be neat, attractive, unmarried, preferably without children."

## The Bible ---- Can You Quote It?

- 1—When the chief Shepherd shall appear, ye shall receive a crown of glory that— 1 Peter 5:4
  - 2—In the first year of Belshazzar's reign, what man had unusual visions? Daniel 7
  - 3—Was Apollon, Jewish or Gentile? The Acts 18:24
  - 4—The Lord will bless his people with— Psalm 29:11
  - 5—The peace of God, which passeth all understanding— Philippians 4:7
  - 6—Who was Epaphras? Colossians 1:7
  - 7—For with God nothing shall be— St. Luke 1:37

## State Cage Tourney Hits Attendance Mark

LANSING — The state high school basketball tournament hit a new high in attendance and gate receipts again this year, the tournament financial report showed today.

Total attendance at all the tournament games was 427. This was 46,836 more than the previous record of 381,923 set last year.

Gross receipts totalled \$286,338—\$27,846 more than the gate of \$258,492 for 1954, also a previous high.

Attendance was up over the previous year for every phase of the tournament.

District games drew 226,860 fans, 24,668 more than in 1954. The regional attendance was 131,654, up 12,818 from the previous year. The state tournament games attracted 691,372 customers, 9,377 more than in 1954.

The race horse Nashua gets special drinking water which is bottled and shipped to Hialeah from Hot Springs, Ark.

## Help Wanted

### Male

FARM HAND. Must have some experience in dairy cows and machinery. Octave Carignan, Phone Cornell 626. 75-103-31

WANTED—Man in this vicinity interested in working hard enough to earn \$100 week or more. Write P. O. Box 254, for interview. C-73-11

WILL INTERVIEW men capable of running small business good for \$5,000 up first year. Will finance right party. For appointment, write Box EH, care of Daily Press. C-96-11

### Female

YOU MAY BE the one we're looking for. Energetic women to service AVON customers and prospects in Escanaba, Kipling, or Garden. Write Louise Best, Manager, Traverse City. 25-101-31

WOMAN OR girl, 18 or over, for care of two children, days. North side. Call 2236-J between 6:00 and 8:00 p.m. 105-103-31

SALESWOMAN wanted. Apply in person. S. S. Kresge Company. C-103-11

### Male or Female

TEACHERS, men and women. Profitable summer employment. 40-hour week. Write, Yvonne Johnson, Box 3585, Chicago 54, Illinois. 86-103-11

In This Corner  
With Ray Crandall

The Michigan Tech rifle team, of which Dick St. Amant of Escanaba is a member, won top honors in the Sixth Annual University of Illinois Rifle Meet at Champaign, Ill., last weekend. . . . The Tech team finished in front of a pack of 20 teams and 112 shooters with a 1418 score, followed by State University of Iowa with 1409 and the University of Illinois with 1405. . . . The Tech shooters won 13 medals, a plaque and a trophy.

The Little Eight Conference recently went on record as favoring the present system of selecting Michigan High School Athletic Association basketball tournament sites. . . . The current plan calls for the awarding of tournaments to those centers with the best facilities. . . . The Great Lakes Conference recently expressed disapproval of the new MHSAA policy and favors return to the old system of unofficial rotation of district tournneys.

Two Upper Peninsula boys earned reserve varsity basketball letters on the University of Michigan team this past season. . . . Jim Beissel, Bessemer, a 6-7 cager who was a standout in the Upper Peninsula a few years ago, and Bob Sharland of Ishpeming received the honors. . . . Beissel is also an excellent student at Michigan, boasting close to an A average as a sophomore.

A number of Gladstone keggers are among the leaders in the Upper Peninsula Bowling tournament being conducted at Ishpeming. . . . Walter VanDeWeghe is fifth in singles with a 610 series. . . . B. H. Skellenger is sixth in all-events with 1674. . . . Leo Godin and Floyd VanDaele are third in doubles with 1117 and Marvin Erickson and Art LeGault are fourth with 1116.

**WEIGHT THROWER**—Don Cockell may purchase his clothes in the over-size department, but the Briton throws his weight around. He fights Rocky Marciano in San Francisco, May 16.

## British Champ Says Rocky No Superman

NEW YORK (AP)—"He's no superman. He's got two arms and two legs just like I have. I hope to win the title, otherwise I never would have come here.

That's the way England's Don Cockell sized up his coming title fight with heavyweight champion Rocky Marciano in San Francisco May 16.

The pudgy, 217-pound British heavyweight boss arrived early Tuesday morning from England on the Queen Mary, was the guest of honor at press party at a downtown restaurant and then departed last night for San Francisco. He is due there Friday.

"Marciano is a great champion and he behaves like a champion," said the hog farmer from Horam, Sussex. "If I should win, I only hope I can conduct myself like he does.

"Many people seem to have the idea that Marciano is crude and rough but I don't see it. He is a scientific fighter. He never throws two punches in the same place. He places his punches correctly and places his weight behind his blows."

Cockell had met—and admired Rocky when he met the undefeated Brockton Blaster at the signing ceremony here Feb. 25.

"No, I can't say now how I intend to fight Marciano," the 26-year-old British Empire titleholder said in a reply to a question. "I shall adapt myself to conditions in the ring. I shall make my own moves as I go along."

Cockell had met—and admired Rocky when he met the undefeated Brockton Blaster at the signing ceremony here Feb. 25.

# State Prep Athletic Chief To Speak At Rock Banquet

## Coach Of Year Will Be Guest

Charles E. Forsythe, state director of high school athletics, will be the main speaker at the ninth annual Central League basketball banquet which will be

gin at 6:30 at Rock High School Thursday evening.

Coaches of the three Upper Peninsula teams that won state basketball championships will be guests of honor at the dinner. John Gaffney of Houghton, Leno Colla of Mass and Bruce Warren of Trout Creek will be honored by the Central League.

Gaffney's Houghton Gremlins swept through 23 straight games during the past season and clinaxed the amazing victory string by winning the state Class C championship at East Lansing.

Gaffney was named the Upper Peninsula basketball coach of the year by the U. P. Sports Writers Association last month.

Special honors will be accorded the Rock High School Little Giants who won the Central League championship with an unde-

feated league season this year. Coach Bob Pelkie, serving his first year at the Little Giants helm, will be presented with the championship trophy by W. J. McClintock of Trenary, league president. McClintock will be toastmaster at the after-dinner program.

Other Central League officers are Les Latvala, Eben, vice-president, and Norman Slough, Rapid River, secretary-treasurer.

**Name All-League Team**  
The Central League all-star selections will also be announced and players will receive individual medals.

After the program, movies of the Class C and D state championships at Jensen Field House will be shown and a social hour will follow.

Rock is the fifth team to win the Central League championship in the nine-year history of the league. Perkins won the first league title in 1947, followed in order by Hermansville (no longer

in existence), Rapid River, Rapid River, Nahma, Nahma, Perkins and Rapid River.

Pelkie came to Rock as a graduate of Northern Michigan College of Education at Marquette. In college he was a three-sport letterman, earning varsity awards in football, basketball and track.

Others selected on the team were Jim Cooper, Marvin Taurianen and Jack Young of Soo, Bob Hastings of Manistique, Mike Stokes of Newberry and Frank

Hamilla and Jim DePew of Munising.

Hamilla, top scorer in the league, was the only unanimous choice. Quinn was second in the voting and Hastings was third.

Honorable mention went to two other Gladstone players, Larry Feldt and Norm Butler, and two from Manistique, Ken Dixner and Bill Holm.

All star selections were made by Great Lakes coaches.

SAULT STE. MARIE—(Special To Press)—John Quinn, towering Gladstone Brave center, represents the Great Lakes Conference champions on the conference all star team selected by coaches at their annual spring meeting in Munising last month.

## Detroit Church Moved 2 Blocks

DETROIT (AP)—Detroit's Mariners Church, a riverfront landmark for more than a century, has been moved intact to its new location.

Engineers worked three months to inch the 3,000-ton gray stone building two blocks. The job was finished Monday.

The church, the center of a controversy for many months, was built in 1849 with funds left by two women who were distressed by the carousing of sailors along the waterfront.

Some civic center planners objected to its Gothic architecture would be an eyesore among the modern buildings planned for the center.

Others, who linked the church with a bygone era, pleaded for its preservation.

Engineers offered a compromise by devising a method of moving the church intact over steel rollers propped under the building on wooden skids.

The job was started Jan. 20 and cost \$350,000. It will take another six weeks to lower the building 7½ feet to its new foundation.

## Death Takes Head Of Allis-Chalmers

MILWAUKEE (AP)—William A. Roberts, 58, president of the Allis-Chalmers Mfg. Co., died Tuesday.

He suffered a heart attack April 1 and had been hospitalized since. Roberts was a veteran of about 30 years with the company, one of the nation's biggest manufacturers of tractors and heavy machinery. He became its president in February 1951.

**FAR FROM MADDING CROWD**—Seldon photographed in recent years, form Vice President John Nance (Cactus Jack) Garner appears in his favorite role in this recent camera study. It was taken on his farm in Uvalde, Tex. The

36-year-old Democrat who served two terms under Franklin D. Roosevelt may visit Washington for the first time since his retirement in 1941 to attend a testimonial dinner for House Speaker Sam Rayburn.

## Legislature Asked To Abolish One-Man Grand Jury System

LANSING (AP)—Rep. Charles Golden (D-Monroe) asked the Legislature Tuesday to abolish Michigan's one-man grand jury law.

The law has been the subject of bitter dispute for years. Since

1947, the Legislature has considered several bills to kill it, but the measure failed to pass either house.

"The grand jury system destroys a man's right to refuse to testify against himself," Golden said. "That right is granted in the constitution."

Golden said he objects also to the power of a grand juror to cite a man for contempt for failure to testify. In addition, he said, de-

fendants are refused the guidance of counsel during testimony.

Grand juries are appointed to gather evidence for indictments on criminal charges.

## LIMITED BURGLARY

EMERSON, Neb. (AP)—A burglar forced the rear door of a barber shop, unlocked two more doors and opened the cash register. It contained \$5 in change. He took \$2.50 and left.

## Objectors To Draft Quit Hospital Jobs, Get Prison Terms

BALTIMORE (AP)—Two conscientious objectors who were given jobs in state hospitals in lieu of being drafted were given two-year prison sentences Monday because they quit the two-year jobs.

Both members of Jehovah's Witnesses said they left their jobs because they objected to being ordered to work.

Judge W. Calvin Chesnut sentenced 23-year-old Ernest W. Dykes, of Salisbury, and Charles W. Smith III, 21, of Annapolis, after a hearing in U. S. District Court.

There are 1,200 miles of toll road in the United States.

## Tax-Due Notices Not Cashable At Banks

DENVER (AP)—You just can't cash those tax due notices like checks, a government official told Coloradans.

In plaintive tones George H. Allan, state director for the Internal Revenue Service, conceded the statements of what a taxpayer still owes may look a little like refund checks. The latest to reach his desk, a dun for \$15.37, was cashed by a supermarket here but payment was refused at a bank.

## CARVES GUN CAREER

HOUSTON, Tex. (AP)—Clifford Waits of Austin is a gun chaser, one of the few left. He carves fancy designs cowpokes want on their shooting irons.
